ABOUT US

Our Vision

The vision of G B Pant DSEU Okhla-1 Campus is to produce a society grounded in **technological advancement, social justice and equality** by combining **knowledge, creativity ethics and co-operation**

Our Mission

The mission of G B Pant DSEU Okhla-1 Campus is the advancement of knowledge by educating students in Engineering Sciences, Applied Sciences and Humanities. By following a holistic and inter-disciplinary approach, we believe in producing Engineers who would serve the country and the world in the 21st century.

The eminent faculty of the institute is committed in generating knowledge and disseminating it to the students, thereby nurturing them to become torch bearers of knowledge. By combining academic rigour and excitement of discovery in the subject, the faculty is committed to producing students who would become embodiments of intelligence of both theory and practice. The college is committed to the overall development of the students, making them fine citizens dedicated to the betterment of the society.

PLACEMENT HIGHLIGHTS

In the month of January 23, ANGLO EASTERN SHIP MANAGEMENT PVT. LTD visited campus for placements on 10th Jan. The package offered is \$750 per month (after 1 year training) that will be increased to 1.5 Lakhs INR after next 6 months. During the Bluestar Placement Drive held on January 16th and 18th, three students from the B.Tech

(MAE) 2023 batch were selected and offered a package of approximately 6.25 Lacs per annum. On January 31st, a placement drive of SIBRAMA was held at the company's premises and nine students from the ECE (2023 batch) registered for it. The post offered by the company was IT Admin, with an initial package of 2.4 to 4 Lacs per annum.

EXTERNAL RELATIONS AND COLLABORATIONS

- The IEEE GBPEC Student Branch held an orientation program for B.Tech. students of the 2022-2026 batch on January 20, 2023, at the Campus Training and Placement Hall. The session was attended by faculty members, including Campus Director Prof. (Dr.) Dipali Bansal, and students from the first and second year. The speaker for the event was Prof. (Dr.) M.N. Hoda, Director of BVICAM in Delhi. Prof. Hoda emphasized the importance of personality development and advised the students to join professional societies, such as IEEE, the world's largest community for engineers. He explained how IEEE can aid in research and advance technology for the betterment of humanity. He discussed the benefits of IEEE membership, various activities, and IEEE societies, councils, and standards. He encouraged students to stay updated with market needs and keep up with advancements in technology in order to stay ahead. At the conclusion of the program, Prof. Hoda was presented with a token of appreciation by Prof. (Dr.) Vibbhakar Shrimali, the IEEE Branch Counselor. The Vote of Thanks was expressed by Ms. Aman Saini, Faculty Advisor of IEEE and HoD of ECE. The IEEE Orientation Program 2022 was a valuable and enlightening session for the students.

STUDENT ACTIVITIES AND ACHIEVEMENTS

- The G.B. Pant DSEU Okhla I Campus organized Activity Days on January 6, 2022, attracting approximately 200 students to participate in Open Mic and Nukkad Natak events. Buniyaad, the college's theater society, staged a self-written piece directed, produced, and performed entirely by students. The performance, which addressed daily life mental health problems and their impact on overall happiness, took place in the college basketball court and was attended by both teachers and students. In the open mic portion of the event, students demonstrated their talents with exceptional performances, including comedy and singing acts that captured the audience's attention.

STUDENT ACTIVITIES AND ACHIEVEMENTS

- The G.B. PANT DSEU Okhla I Campus celebrated its 74th Republic Day on January 26, 2023, with enthusiasm and patriotic zeal. As per the college's tradition, the Campus Director, Professor Dipali Bansal, kicked off the celebrations by hoisting the national flag near the stage and leading the singing of the national anthem. The event was attended by many faculty members, staff, and students from the college. To add to the festivities, the campus organized a cultural event based on the theme "G-20" the day before on January 25th, 2023. The students participated in activities such as rangoli making and poster making.

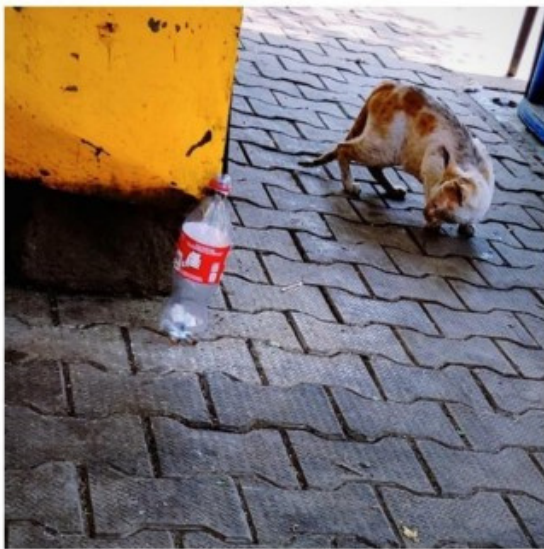

STUDENT ACTIVITIES AND ACHIEVEMENTS

- The G.B. Pant DSEU Okhla I Campus organized an Elocution Competition as part of the G-20 Activity. The competition aimed to test the participants' ability to communicate effectively using appropriate speech and gestures. The theme of the competition was "Vasudhaiva Kutumbakam: One Earth, One Family, One Future." The competition was held on January 10th, 2023 at 2 PM in the Training and Placement Hall. Arush Sachdeva from CSE 3rd sem and Rajat Kumar Jha from CSE 3rd sem were the participants. The participants impressed the judges and the audience with their confidence, expression, and talent, making the event memorable. Over 40 students and around 4 faculty members attended the event. During the competition, the students emphasized the importance of the G-20. With members accounting for 85% of global GDP and 75% of global trade, the G-20 is critical in today's uncertain economic climate. The students also highlighted the objectives of the forum, which include policy coordination to achieve economic stability and sustainable growth, promoting financial regulations that reduce risks, and creating a new international financial architecture.

STUDENT ACTIVITIES AND ACHIEVEMENTS

- The G. B. Pant DSEU Okhla-I Campus organized a Photography Competition on 10th January 2023 as part of its G-20 activities. The theme was "Vasudhaiva Kutumbakam" or "One Earth · One Family · One Future." The contest aimed to enhance the photography skills and critical thinking of the participants. It was a unique opportunity for the students to showcase their creative abilities and capture meaningful moments. Three participants took part in the event

FACULTY ACHIEVEMENTS

- The MAE Department at G.B. Pant DSEU Okhla-1 Campus held a one-day workshop on "Introduction to Fusion 360" in collaboration with Curiosity 3D-AUTODESK Partner, under the supervision of DSEU on 23rd Jan 2023. 49 participants from the MAE Department took part in the workshop, which aimed to introduce students to geometric modeling concepts and related software. The Autodesk Certified Instructor discussed the benefits of Fusion 360 compared to other 3D modeling software and its applications in engineering fields like 3D printing and aerospace. The event received positive feedback and was coordinated by Dr. Anurag Dixit, Dr. Bhajneet Singh, and Mr. Jitendra Kumar. The participants were encouraged to use their new knowledge in practical ways.

- Ms. Jyoti Tripathi, attended AICTE ATAL Faculty Development Program under the 'TechSaksham' initiative, on "Artificial Intelligence", scheduled from January 16-20,2023, in a virtual mode.
- Dr. Sushil Kumar and Dr. Sunita Tiwari, Benign and Malignant Skin Lesion Detection from Melanoma Skin Cancer Images in 2nd International Conference for Advancement in Technology (ICONAT) during 24th & 26th January 2023.
- Dr. Amit R Kaparde and Mr. Manjeet Singh Pangtey attended ATAL Academy Blended/ Hybrid FDP on "Wireless Sensor Network and Internet of Things: Theoretical and Practical Approach" from 19 Dec 2022 to 24 Dec 2022 and 30 Dec 2022 to 03 Jan 2023 at Jawaharlal Nehru University.
