Admission Brochure

Joint Admission Committee (JAC) Delhi-2023

Coordinating Institute

Netaji Subhas University of Technology

Azad Hind Fauz Marg, Sector-3, Dwarka, New Delhi-110078

Joint Admission Committee (JAC) for admission counselling to Undergraduate Programmes in Delhi Government funded premier universities, offering Engineering, Architecture and Management programmes started in the year 2014, as an initiative of the Govt. of NCT of Delhi, to avoid multiple admission counselling and save the candidates and their guardian from the resulting inconvenience because of shifting of students from one institution to the other during the admission process. This year, Delhi Technological University (DTU), Indira Gandhi Delhi Technical University for Women (IGDTUW), Indraprastha Institute of Information Technology, Delhi (IIITD), Netaji Subhas University of Technology (NSUT) and Delhi Skill and Entrepreneurship University (DSEU) are participating in JAC for their B.Tech programmes, which is being conducted online with the support of the National Informatics Centre (NIC). The admissions are done on the basis of rank of students in Joint Entrance Examination, JEE (Main) conducted by the National Testing Agency (NTA). This year, **6666** seats in Engineering offered by the five participating institutions, and **90** seats in B. Arch offered by two participating institutions are to be allotted through JAC Delhi counselling. The counselling procedure and schedule will be made available on the JAC Delhi website jacdelhi.admissions.nic.in. Candidates and their parents/guardians are advised to regularly visit the JAC Delhi website.

This year, Netaji Subhas University of Technology is the coordinating institution for JAC.

Disclaimer: This admission brochure contains collective information for admission to NSUT, DTU, IGDTUW, IIIT-D, & DSEU. All possible care has been taken to compile the information correctly in the brochure. However, in case of any inadvertent error/deviation, the official version of the participating Universities / Institutes and Government authorities shall be final.

Important Dates for Online Registration for B. Tech. & B. Arch. Programmes

1.	Commencement of Online Registration and Choice Filling	**May 26, 2023 (Thursday) from 08:00 P.M.**
2.	Last Date and Time for Online Registration (Registration Form filling, Registration fee payment and Choice filling.)	**June 25, 2023 (Sunday) till 11:59 P.M.**

Important NOTE: **The above-mentioned dates refer to the starting and the closing dates for the registration for the first round of counselling. However, if a candidate misses out the above deadlines for any reason, he/she may participate in third round of counselling through fresh registration, as detailed in the counselling schedule.**

There may be no fresh registrations before Spot Round so those candidates who are interested to participate in JAC 2023 should register in Round-1 and 3 as per the schedule released.

Under no circumstances, the candidate registering in succeeding round can claim for seats already allotted to other candidates in preceding rounds in lieu of his/her merit. Therefore, all interested candidates are advised to register and participate in the JAC Delhi 2023 counselling from the very beginning, i.e. the above mentioned deadlines.

Registration-cum-Counselling Fee

Rs. 1,500/- + Transaction Charges (as applicable)

Netaji Subhas University of Technology (NSUT)
(Formerly Netaji Subhas Institute of Technology)
(Established by the Government of NCT of Delhi vide Delhi Act 06 of 2018)

Netaji Subhas University of Technology (NSUT) is a center of higher technical education in India. NSUT (formerly Netaji Subhas Institute of Technology, affiliated to University of Delhi) is an autonomous Institution under Govt. of NCT of Delhi. It was established in the year 1983 as Delhi Institute of Technology with the objective of meeting the growing demands of manpower in the emerging fields of engineering and technology with a close social and industrial interface. It is beautifully landscaped, with lush green and fully residential campus sprawling in 145 acres of land with all facilities including faculty & staff residences, hostels, cooperative mess, sports complex, banks, kiosks and other amenities. The main campus of the University located at sector-3 Dwarka, houses the diverse community of students, faculties, staff and visitors. Over a period of time, the university has carved a niche for itself, both nationally and internationally, for excellence in education and technical research.

Govt. of NCT Delhi has expanded the NSUT in 2020 further into two more campuses namely East Campus (Formerly Ambedkar Institute of Advanced Communication Technologies & Research) at Geeta Colony and West Campus (Formerly Ch. Brahm Prakash Government Engineering College) at Jaffarpur. The Main Campus of University is located at Sector-3 Dwarka, having a lush green campus spread across 145 acres, to house a diverse community of students, faculty, staff and visitors. A total of thirteen academic departments works in concerted awareness to ensure that students receive the highest possible quality education with wide assimilation.

The University has a smart APJ Lecture Theatre Complex which is energy-efficient, and has cutting-edge technology as its essential feature in every aspect of usage. It has ten Smart Lecture Halls with a seating capacity of 125 each, and a Multipurpose Hall with 270 audience seating capacity. These lecture halls have been equipped with audio/video system for recording and live streaming of lectures, VRV air-conditioning, Godrej furniture, CCTV surveillance system, acoustics etc.

NSUT continues to be a prominent place in popular surveys. The University has been ranked among the top engineering colleges including the IITs and NITs. An amalgamation of its efforts to maintain this benchmark has steered NSUT towards reaching newer and bigger goals. The students have won laurels for their alma mater in several national and international competitions. Year after year, students have availed internships (in MNCs, PSUs and foreign universities). A number of students of NSUT have also been offered admission in the MS/MBA programs in some of the most prestigious universities across the globe. This provides them with an exposure to the world beyond and helps them to imbibe variegated learning experience. Students have also succeeded in getting their research papers published in reputed international journals and conference proceedings every year. The University is a signatory of MoUs with over a dozen international universities and organizations.

Vision:
To be a premiere University of global recognition that provides excellence in Education, Research and Development, to create potential innovators and leaders to serve Society and Nation.

Mission:
- To promote academic growth by offering state-of-the-art Undergraduate, Postgraduate and Doctoral programs and to impart emerging and new knowledge in Research & Development.
- To identify the thrust area of specialization in education based on perception of Regional and National as well as global needs.
- To undertake collaborative projects which offer opportunities for long term interaction with leading Academia and Industries to cater to the needs of the Society and Nation.
- To foster human potential by inculcating responsible behavior, Environment, improvement, Ethics, Innovation and Entrepreneurship.

Programs offered

The Main Campus of the University offers 12 B.Tech, 11 M.Tech, 2 MBA and 3 M.Sc. programs. Besides this, the University offers Bachelors programmes in the field of Design (B.Des), Business Administration (BBA, BBA-IEV), and 2 masters programmes (MA) in English Literature, Language & Communication and Applied Psychology.

The East Campus offers 3 B.Tech and 4 M.Tech programs.
The West Campus offers 3 B.Tech and 1 M. Tech. programs. Besides this it offers Bachelor of Architecture (B.Arch.) course.

The University also offers Ph.D programs in engineering, sciences, management, humanities and social sciences. NSUT has embarked on its journey towards excellence in academics through the introduction of a novel system of learning that is being followed in many reputed universities globally. The Choice Based Credit System (CBCS) has been proposed by University Grants Commission (UGC) on recommendations of the National Knowledge Commission, to improve the quality of higher education in India. NSUT proposes to adopt CBCS for its Bachelor of Technology courses

CBCS is the mother of student centric educational reforms. A student is provided with an academically rich, highly flexible learning system blended with abundant provision for skill practice and activity orientation that he/she could learn in depth without sacrificing his/her creativity. A student can exercise the option to decide his/her own pace of learning- slow, normal or accelerated plan and sequence his/her choice of paper, learn to face challenges through term work/ project work and may venture out to acquire extra knowledge/ proficiency through add-on facilities. The great advantage of CBCS is that the learning process is made continuous and the evaluation process is not only made continuous but also made learner-centric and is designed to recognize the capability and talent of a student.

Details of B.Tech. programs in NSUT are as given below.

Programme Name	Programme Code	Number of Seats
NSUT, Main Campus, Dwarka		
Bio-Technology	BT	90
Computer Science and Engineering	CSE	216
Computer Science and Engineering (Artificial Intelligence)	CSAI	144
Computer Science and Engineering (Data Science)	CSDS	72
Electrical Engineering	EE	180
Electronics and Communication Engineering	ECE	216
Electronics and Communication Engineering (Internet of Things)	EIOT	72
Information Technology	IT	144
Information Technology (Network and Information Security)	ITNS	72
Instrumentation and Control Engineering	ICE	180
Mathematics and Computing	MAC	90
Mechanical Engineering	ME	216
NSUT, East Campus, Geeta Colony		

Computer Science and Engineering (Big Data Analytics)	CSDA	72
Electronics and Communication Engineering (Artificial Intelligence and Machine Learning)	ECAM	144
Computer Science and Engineering (Internet of Things)	CIOT	72
NSUT, West Campus, Jaffarpur		
Civil Engineering	CE	72
Geoinformatics	GI	72
Mechanical Engineering (Electric Vehicles)	MEEV	72
Bachelor of Architecture	BArch	40

NSUT offers its B. Tech. students the option of Minor degree in various disciplines. **Minor degree** refers to a supplemental second discipline of study and concentration that often complements the major. Some students use a minor degree to pursue personal interests, while other students may pursue a minor to gain specific specialization and make themselves more attractive to employers. University has laid out a framework of required courses a student is required to complete to earn their selected minor.

Minor degrees offered by various departments of NSUT are as given below.

Department	Minor Degrees
Electronics and Communication Engineering	Communication and Networking
	RF, Microwave and Signal Processing
	Microelectronics Circuits, VLSI and Embedded Systems
Computer Science and Engineering	Artificial Intelligence
	Data Science
	Software Designing and Development
Information Technology	Network Computing and Security
	Machine Intelligence and Data Analytics
Mechanical Engineering	Automobile
	Computer Aided Design
	Robotics and AI
	Manufacturing & Industrial Engineering
Instrumentation and Control Engineering	Biomedical Instrumentation
	Robotics and AI
	Intelligent Control
Electrical Engineering	Renewable Energy Systems
	Power Systems
	Power Electronics and Electric Drives
Biological Sciences and Engineering	Health Technologies
	Agriculture and Environment Technologies
Civil Engineering	Structural Engineering and Construction Management Geotechnical and Transportation Engineering Environmental Engineering and Water Resources
Geoinformatics	Geoinformatics

For example, student of Bio-Technology or Instrumentation and Control Engineering or Mechanical Engineering or Electronics and Communication Engineering may opt for minor degree in Artificial Intelligence along with Major degree in BT or ICE or ME or ECE. Similarly, a student of Computer Science and Engineering may opt for Minor degree in Data Science or Robotics and AI or Health Technologies or any other of his/her choice.

Degree Offering Faculty/Departments

NSUT has eighteen departments under eight faculties.

1. Faculty of Information Communication and Technology (ICT)
   a. Department of Electronics and Communication Engineering (Main Campus)
   b. Department of Electronics and Communication Engineering (East Campus)
   c. Department of Computer Science and Engineering (Main Campus)
   d. Department of Computer Science and Engineering (East Campus)
   e. Department of Information Technology (Main Campus)
2. Faculty of Electrical and Mechanical Engineering
   a. Department of Mechanical Engineering (Main Campus)
   b. Department of Mechanical Engineering (West Campus)
   c. Department of Instrumentation and Control Engineering (Main Campus)
   d. Department of Electrical Engineering (Main Campus)
3. Faculty of Interdisciplinary Studies
   a. Department of Biological Sciences Engineering (Main Campus)
   b. Department of Geoinformatics (West Campus)
4. Faculty of Infrastructure Technology
   a. Department of Civil Engineering (West Campus)
   b. Department of Architecture (West Campus)
5. Faculty of Design
   a. Department of Design (Main Campus)
6. Faculty of Sciences
   a. Department of Mathematics
   b. Department of Physics
   c. Department of Chemistry
7. Faculty of Humanities and Social Sciences
   a. Department of Humanities and Social Sciences
8. Faculty of Management Studies

Research

The faculty and students at NSUT are active in research areas such as Analog Signal Processing, VLSI, Wireless and Optical Communications, Image Processing, RF and Microwave Engineering, Computer Networks, Artificial Intelligence, Data Science, Software Engineering, Soft Computing, Robotics, Industrial Engineering, Composites, Welding, Modern Methods of Manufacturing, Industrial Engineering, Process Control, Renewable Energy, Power Electronics, Hybrid Energy System, Bio-medical Instrumentation, Intelligent Control, Mathematics, physics and Chemistry. The faculty members have published more than 1600 research papers in reputed international journals and conferences since 2016. They have also won several awards for their research contributions.

Computer Centre

Central Computer Centre at NSUT is a state-of-the-art facility for nurturing the computing requirements of its students and faculty. It is well equipped with 400 All-in-One Desktop Computers with best-in-class configuration. These computers are populated with all the software required by the students in their curriculum. Central Computer Centre looks after the operation of the campus wide network (wired and Wifi) of NSUT which covers every nook and corner of the campus. NSUT has a 1 Gbps Internet Link from NKN which is being upgraded to 10 Gbps in the coming few months. Computer Centre also manages the University's Webserver, Email facility for every NSUTian and Cloud based University Management System.

Center of Excellence (Artificial Intelligence)

To support the academics in AI, the Centre of Excellence (CoE) in Artificial Intelligence at NSUT shall provide the high-performance computing (HPC) facility for the institutions of Degree and Diploma levels under Govt. of NCT of Delhi. The Centre of Excellence is developed with the financial support from the

DTTE/DKDF. High-performance computing applications in Artificial Intelligence shall make use of Deep Neural Network Models, which typically consist of very large matrix multiplication and accumulation operations. These operations can be computed on multiple cores and are embarrassingly parallelizable on Graphical Processing Units. Further, Tensor cores enable these operations in mixed precisions without losing any accuracy.

The University is in the process of establishing two more Centres namely- Centre of Internet of Things, and Fab Lab.

State of the Art Studio

State of the art Studio has been set up for recording and live streaming of lectures, interviews and debates etc. This studio will also be used for imparting skill based short-term courses in photography, video editing, cameraman etc.

Student's achievements

The University students have been a regular recipient of accolades at various International events and competitions. CANSAT - Team Kalpana-1, an undergraduate student's team, reached the finals of CANSAT Competition 2018 conducted by American Astronautical Society (AAS) and NASA by securing a percentile rank 7 out of 165 teams worldwide. A Delegation of students from NSUT was awarded the Outstanding Delegate accolade in World Health Organization and the Diplomatic Mention award in GA - SPECPOL at the 64th edition of Harvard National Model United Nations in 2018. Team Ares, a team of space enthusiasts, qualified for the European Rover Challenge 2018 which was conducted by the Mars Society & The European Space Society and is the first and only Indian team to qualify in their first attempt. Venture Deeproots, a company that makes Computer Vision based Intelligent Platform, won the award for the 'Most Investable Idea' at YSIF, Peking University, Beijing. It was the only Indian enterprise to be selected among 35 excellent ideas presented at the summit.

Campus Facilities

The University Campus has Medical Facility (including Physiotherapy and Homeopathy), Power backup, Incubator centre (for students, alumni and faculty), yoga & meditation Centre, Gym facility, University management system, university networking system, internet facilities, broadband facilities, fully Wi-Fi campus, CCTV cameras, bio metric system, Student Activity Centre, sports complex, Two banks, ATM, beautiful horticulture department & landscaping lawns and a shopping complex. A prominent feature of NSUT's campus is the vast expanse of flora & fauna that envelopes its entirety.
Counselling facilities are available in NSUT. A trained and professionally qualified Psychologist is available at the campus to attend the various psychological and emotional needs of the students.

Placements

The past performance of the outgoing batches has done us proud. In the past, eight students have been offered an annual package of Rs. 1.25 crores by Google. Apart from that, various companies like Goldman Sachs, Intuit, Microsoft, Amazon, Walmart, Linkedin, Tower Research, Adobe, Direct I, Qualcomm, Texas Instruments, Synopsys, SanDisk, Nvidia, Maruti, Samsung, Bain, KPMG, McKinsey, PWC, GAI, BEL, C-Dot, Aricent and Accenture among others have been visiting NSUT regularly for placements and the number of companies has been on the rise ever since. A number of PSUs have also visited the University and have been recruiting regularly. NSUT has also witnessed its alumni become administrators by bagging Ranks 1 and 3 in the UPSC examinations.

Incubation and Innovation Foundation (NSUT-IIF)

NSUT has Incubation and Innovation Foundation (NSUT-IIF) within the university campus. It was opened to incubate startups of NSUT students, alumni, faculty of NSUT, any other incubatee under the guideline of Delhi Government at NSUT for two years with seed money/funding from the NSUT-IIF. Netaji Subhas University of Technology won the first prize in the category "Institution Supporting Startups" sponsored by Niti Aayog and All India Council for Technical Education (AICTE). NSUT IIF provides a host of support

services to start-ups and organizes selection of newer incubatees. Some of the startups incubated by NSUT IIF are Zalonin, Vkarma, CacheFi and Bonfarmo. Various societies at NSUT like IEEE, SAE, ISA, CSI, and CEDT Lab at NSUT have helped students learn skills to develop technology-based projects.

Hostels

The University maintains SIX hostels on campus, four for the boys and two for the girl's students of the University. The four Boys' Hostels are named Aryabhata Hostel, Bhaskar Hostel, Raman Hostel and Ramanujan Hostel. The two Girls' Hostels are named Sarasvati Hostel and Kaveri Hostel. Kaveri Hostel is airconditioned hostel. Each Boys hostel has over 270 capacities. There are single seater and double seater rooms. Each room is equipped with basic furniture like cot, chair, table, and cupboard, tube light and fan. The Girls hostel are triple seater. Each of the hostels provides mess facilities for the residents. A common room, gymnasium, reading room and sports facilities are also available for residents. There is a provision for round the clock water and electricity facilities for the hostels. It is concerted effort of the University to provide a wholesome hostel facility for the residents and help them pursue their respective academic goals to their best. The University has two Hostels to accommodate 52 male and 52 female foreign students with State-of-Art facilities.

Central Library

NSUT Central-Library is the heart of University. It functions from first & mezzanine floors of centrally air-conditioned Library building having plinth area of 2000 square meter. It is the largest library in the cluster, 'Delhi Government Library Network' of 'A Digital Agenda for Automation and Networking of Government Libraries from NIC'. It works to meet and promote the needs of print/electronic publications for teaching, research, training and working of each member of the University to ensure quality education & development of the nation. The automated and personalized library services are provided to each user through his/her mobile phone.

Sports Activities
NSUT offers state of art facilities in the domain of physical education, providing, fully air-conditioned Gymnasium with all the latest fitness and strength equipments, air-conditioned facility of Billiards, Pool Table and Table Tennis, indoor Badminton Court, International Size Cricket Ground with three Center Turf Pitches, Practice cricket Nets, Basket ball Courts, Volleyball Courts, Lawn Tennis Courts, 400 meter cinder Running Track, International Size Football Field. The students of NSUT participated at the various North Zone Inter University, All India Inter University Tournaments and various other national level tournaments organized by IITs, NITs and other professional Institutions. Besides participation at various sports, the Department also organizes various Inter College and Inter University Tournaments. The University is running the Foundation Elective (Sports -01 and Sports-02) course under CBCS scheme under the Department of Personality Development. The university provides professional coaching to the students of the university through professional sports coaches.

Societies and Clubs

To inculcate team values and nurture the talent of students, various university level **societies and clubs** are active in the campus like Technical Societies, Non-Technical Societies, Recreational Clubs, Literary Clubs, Automotive Clubs and Community Service Initiatives. The University is known for its brilliantly organized inter college fests - Moksha and Innovision – which are frequented by stars and musicians of international repute & attended by students from all over India. These fests facilitate holistic development, promote team culture and help free the mind & spirit.

Fee reimbursement and Incentives

NSUT has introduced the fee reimbursement for top ranking students admitted in university and the financial assistance for financially weaker students as per Chhatra Vittiya Sahayta Evam Protsahan Kosh (CVSPK) Scheme-2020. This Scheme also has the provision to give incentives for joining Defense Services or IIMs or top ranking Universities of the world, and also for selection in national level competitive examinations as GATE and UPSC. More information can be accessed at university website.

East Campus

The Campus is located at Geeta Colony, East Delhi having an area of 8.5 acres in which a state-of-art campus with ultra-modern facilities and lush green ambiance all around is built. It has four academic departments, decorated with highly educated faculty members and well-equipped laboratories. This campus is well connected to the city transport system like city-bus, metro etc. and has the facilities like centralized air conditioning in all the labs, RO system for drinking water, well equipped library, centralized computer centre, playground, rain harvesting system, nursery etc.

West Campus

The Campus is located on the outskirts of South-West Delhi, which is approximately 8 Km. from Najafgarh & about 15 Km. from Dwarka Mor Metro Station. A large number of buses ply on this route and the construction of Delhi Metro is also advancing closer to the Campus. It provides adequate opportunities to budding engineers and makes them ready to be adequately shaped for taking the challenges of evolving national and international engineering market. All the laboratories are well equipped. Since 2015, an English Language Laboratory has also been added where mock interviews, group discussions, lectures *etc* are conducted for the students. There is the summer and winter training programs for all the students such as survey camp for the Civil Engineering students so that their field surveying skills can be honed.

Geoinformatics is an interdisciplinary department which combines the use of geospatial data with information science and technology. It offers a mixture of analytical, technical, and problem-solving skills in a field which is immensely important in today's data-driven world. The department finds its importance in various fields such as defence technology, urban planning, disaster mitigation, natural resource exploration, transportation, planetary science and many more. With the ongoing technological advancements, the subject geoinformatics is also evolving and is used for solving real world problems, majorly with the help of remote sensing. At NSUT, Geoinformatics is pursued under the able guidance of faculty of Information Technology and Civil Engineering. The course majorly provides exposure to subjects of Information Technology and Civil Engineering which is used for data acquisition and management.

Connectivity

NSUT (Main Campus): NSUT Main Campus is located in Dwarka - South West Delhi.

By Metro

- 01 Km from Dwarka Mor Metro Station.
- Use the Delhi Metro Service towards Dwarka and get off at the Dwarka Mor Metro Station.
- Then board any Bus towards Dwarka from Dwarka Mor Bus Stop and get off at NSUT Main gate
- Take Auto or Cycle Rikshaw from Dwarka Mor Metro Station to reach NSUT

By Bus

- 764 - Nehru Place-Najafgarh IIT, R.K.Puram, Domestic airport, Palam, Dwarka, NSUT Main Gate
- 727 - Jawahar Lal Nehru Stadium-Najafgarh Vasant Vihar, Airport, Palam, Dwarka, NSUT Main Gate
- 783 - Shaheed Bhagat I.T.O., Barakhamba Rd, Udyog Bhawan, Teen-Murti, Dhaula Kuan, Delhi Cantt, Janak Puri, Uttam Ngr, Sewak Park /Dwarka Mor

NSUT (East Campus): NSUT East Campus is located in Geeta Colony, Delhi.

By Metro

- Kashmiri Gate Metro Station (yellow line) change the metro to Shastri Park Metro Station (Red Line towards Dilshad Garden). Take Gramin Sewa auto to reach the campus
- Laxmi Nagar Metro Station. Take bus/auto to reach the campus
- Nirman Vihar Metro Station. Take Gramin Sewa to Jheel Chowk from there campus is on walking distance

NSUT (West Campus): It is connected by DTC Buses from Najafgarh, Dwarka Mor Metro Station, JanakPuri, Uttam Nagar, and Tilak Nagar.

Delhi Technological University (DTU)
(Formerly Delhi College of Engineering)
(Established by the Government of NCT of Delhi vide Delhi Act 6 of 2009)

Delhi Technological University (DTU) came into being after the reconstitution of the Delhi College of Engineering by the Government of NCT of Delhi in 2009, by Act 6 of 2009, passed by the assembly of the NCT of Delhi. DTU is a non-affiliating, teaching and research University, committed to achieve excellence in Engineering, Science, Technology, Management and allied areas and matters connected therewith or incidental thereto. The university, in its various avatars, namely, the 'Delhi Polytechnic' and 'Delhi College of Engineering' (DCE), has served the nation and the global community since its inception in 1941, by providing trained manpower of highest quality in the field of engineering and technology, and, is globally recognized for its outstanding education, research and innovations. Currently, the University offers various inter-disciplinary and industry oriented programmes in Science, Technology, Management, and allied areas at **Undergraduate, Postgraduate and Doctoral** level. The University has established a strong academia-industry interface and has collaborations with reputed research organizations, industries, and premier institutions both at national and international level. The University lays great emphasis on assisting students in the development of national character, self-confidence, leadership and fostering an ecosystem for creativity and imagination.

Vision & Mission of DTU

Vision:

"To be a world class university through education, innovation, and research for the service of humanity"

Mission:
1. To establish centres of excellence in emerging areas of science, engineering, technology, management, and allied areas.
2. To foster an ecosystem for incubation, product development, transfer of technology, and entrepreneurship.
3. To create environment of collaboration, experimentation, imagination, and creativity.
4. To develop human potential with analytical abilities, ethics, and integrity.
5. To provide environment friendly, reasonable and sustainable solutions for local and global needs

Programmes Offered
The university offers 14 Undergraduate engineering programmes, 25 Postgraduate engineering programmes, 5 MBA programmes, an M.Des programme and 4 M.Sc. programmes. Besides this, the University offers other 3 undergraduate programmes in the field of Design (B. Des.), Management (BBA) and BA (Hons) Economics. The university offers 20 Ph.D programmes in all areas of engineering, science, management, English and economics. The UG and PG programmes of DTU provide most modern curricula, based on the Choice Based Credit System (CBCS), having rich mix of courses from

science, engineering, management, social sciences, humanities, fine arts, liberal arts, classical music, sports, etc. The course curricula have been developed with a view to integrate advancements in science and engineering, thereby incorporating industry relevant technologies. To offer further flexibility, there is provision for credit transfer and earning credits through massive online courses (MOOCs) from different platforms such as NPTEL, SWAYAM, Coursera and Edx etc. The curriculum is regularly updated keeping in view the new technologies and changes in industries and society. The university also offers Minor specializations to the students to enhance their knowledge base in a specific domain and employability. Minor is a secondary area of study which students can opt either from their own discipline or any other discipline. A Minor is awarded to a student along with major discipline provided the student earns requisite credits from the prescribed basket of courses for that Minor. In all 44 Minors have been introduced by various academic Departments as detailed below:

Academic Department	Minor Specialization
Department of Applied Chemistry	Chemical Engineering (For students of other Disciplines)
	Polymer Technology
	Petrochemical Engineering
Department of Applied Mathematics	Mathematics & Computing (For students of other Disciplines)
	Industrial Mathematics
	Computational Intelligence
Department of Applied Physics	Engineering Physics (For students of other Disciplines)
	Material Science & Engineering
	Minor in Photonics
Biotechnology	Biotechnology (For other Disciplines)
	Biological Computing
	Public Health
Department of Civil Engineering	Civil Engineering (For students of other Disciplines)
	Sustainable Infrastructure
	Disaster mitigation and management
Department of Computer Science & Engineering	Computer Engineering (For students of other Disciplines)
	Machine Learning
Department of Software Engineering	Software Engineering (For students of other Disciplines)
	Data Analytics
Department of Electrical Engineering	Electrical Engineering (For students of other Disciplines)
	Machine Learning for IOT Systems
	Power Electronics and Renewable Energy Systems
Department of Electronics and Communication Engineering	Electronics and Communication Engineering (For students of other Disciplines)
	VLSI Design
	Signal Processing & Machine Intelligence
	Advanced Communication Systems
Department of Environmental Engineering	Environmental Engineering (For students of other Disciplines)
	Environmental Remediation & Control
	Sustainability and Environmental Management
Department of Mechanical Engineering	Mechanical Engineering (For students of other Disciplines)
	Production Engineering (For students of other Disciplines)
	Automotive Engineering (For students of other Disciplines)
	Energy Technology
	Operations and Supply Chain Management
	Design and Automation Engineering
Department of Information	Information Technology (For other discipline)

Technology	Cyber Forensics & Cyber Laws
	Artificial Intelligence and Machine Learning
Delhi School of Management	Supply Chain Management
	Marketing Management
	Innovation and Entrepreneurship
Department of Humanities	Economics
	English
Department of Design	Industrial Design

Faculty and Research

The university has a very talented pool of experienced, as well as young faculty members who are highly qualified in their area of specialization and have very good national and international exposure. To encourage the students and faculty for research and innovation, the university has provisions like funding for students' innovative projects, financial assistance to students for attending internship overseas, research project grant to all faculty members etc. To celebrate the individual's excellence in research, the university offers **research excellence awards** to researchers in three categories of awards annually, namely, *Outstanding Research Awards, Premier Research Awards,* and *Commendable Research Awards*. The awards are open to all the researchers of DTU. In addition, university also recognizes excellence in teaching. The university has been granted with the Technical Education Quality Improvement Program (TEQIP) project by MHRD. The project provides funds to faculty and students to organize and attend various faculty development programs, seminars, and conferences.

Ranking and Rewards

The university is having ISO 9001:2015 certification since 27.11.2018, accredited with 'A' grade by NAAC (National Assessment and Accreditation Council) and has been accorded 12-B status by the University Grants Commission (UGC). Many of its UG engineering programmes are also accredited by the National Board of Accreditation (NBA). The University is consistently ranked among best 10 engineering institutions as per the various independent surveys on best engineering institutions of the country. The University has been ranked 1st by Times Engineering in Top 170 Engineering Institutions in India Ranking 2022. The 2022 NIRF rankings placed DTU at the 35th position among the engineering institutions and at 38th in the categories of universities. DTU has been ranked in the bracket of top 601-800 institutions in Times World Ranking of engineering institutions,7th in India ranking, and 2nd in Atal Ranking of Institutions on Innovation Achievements in year 2022.

Campus and Infrastructure

DTU has 164 acres of a lush green, tech-savvy main campus, consisting of 16 academic departments, research centers, and residence for students, faculty, and staff. At present the university has more than 14,000 students in its undergraduate, postgraduate, and Ph. D programmes. DTU has a EDUSAT studio utilized for recording of lectures, events, and talks. Besides the main campus, the university has another campus located in East Delhi, offering BA (Hons.) Economics, BBA and 4 MBA programmes.

Computer Centre

DTU has a well-equipped computer centre to cater to the needs of students and faculty of the university. It is housed in a magnificent state-of-the-art building having specialized laboratories to provide variety of platforms and computing environment for UG, PG students and research scholars. The centre possesses a number of servers and over 240 intel core i5 computer systems. In addition, the centre has more than 15 server engines hosting different applications such as websites & portals, SPSS, Mathematica, MatLab, Ansys, DNS, LDAP, proxy, Email services, Network Monitoring System (NMS) etc. The centre is fully networked through high-end intelligent network switches, and possesses round the clock 10 Gbps NKN

leased line and a 1 Gbps backup leased line in a different pipe for the LAN wired & Wi-Fi connectivity for the academic, administrative, residential and hostel blocks of the campus providing high speed internet facilities on all the nodes. It also has the latest versions of compilers, scientific, technical and engineering softwares for the students of various programmes.

Library and Knowledge Centre

Delhi Technological University library building is a four-storied, esthetically designed, centrally air-conditioned structure with a seating capacity of 450. DTU Library, with a collection of more than 2,29,155 text and reference books and a large number of e-journals, e-books, and manuscripts in digital format, is one of the highly rich engineering libraries in the country. DTU Library provides remote access facilities to all its readers through cloud-based remote access software. The library also helps researchers to maintain due integrity and ethics by providing the facility of similarity check to avoid instances of plagiarism. It has a very active presence on Facebook. Various current awareness services, monthly new arrivals, and user information literacy programs are continually organized throughout the year.

Outreach, Extension and Business Incubation Activities

The university has established many centers like **Center of Outreach & Extension Activities**, **Center of Human Resource Development** (HRDC) and **Equal Opportunity Cell**. The center of outreach & extension activities organizes a variety of activities for promoting public awareness, especially for deprived sections of society including awareness programmes on engineering for class X/XI/XII students. The HRDC center aims to upgrade and enhance the skills and knowledge of faculty at DTU. The university has also established the DTU Innovation and Incubation Foundation (DTU-IIF), pursuant to sub-section (2) of section 7 of the Companies Act, 2013 and rule 8 of the Companies (Incorporation) Rules, 2014. The center offers incubation infrastructure, including space, computing resources, connectivity, common tools, and environment for co-working, collaboration, and innovation. Currently, 57 active start ups are working in the Centre. DTU-IIF has received a project of Rs 5,00,000,00/- from DST.

Sports and Other Outdoor Activities

The students of DTU are facilitated by excellent sports complex for indoor and outdoor games. DTU has 4 x 400m racing track, fields for football & hockey. A cricket pitch and courts for volleyball, basketball, tennis, badminton, along with facilities for indoor games. A well-equipped gymnasium is also available in the sports complex in addition to gymnasium facilities in each hostel. The university has engaged coaches in almost all the games to coach the students and nurture university teams. Students are encouraged to participate in various sporting events and tournaments held in, and around NCR of Delhi. From the academic year 2018-19, as per the revised curriculum, the university offers foundation electives to the students of first year and second year of B.Tech. programmes and in these sports have big share of electives.

Hostels for Men, Women and Health Centre

The University has 09 boys' and 03 girls' hostels to accommodate 1614 boy and 800 girl students. Every hostel has its own common room and gymnasium. The hostels are connected via the campus-wide Wi-Fi as well as wired network, enabling the residents to browse the Internet and access online library resources for their academic and research-related tasks. DTU has a full-fledged health center where services of five medical practitioners and round the clock nursing facilities are available. The university has a health centre with OPD facilities in the area of medicine, ophthalmology, dentistry and physiotherapy.

Events and Festivals

The university organizes annual cultural, literary, sports and technical festivals. These festivals not only provide an opportunity to the students to connect with the professional world, but also an opportunity to display their creative and technical skills in several interesting events and activities organized during the fests. The ENGIFEST, one of the most popular student's cultural event of northern India, is the annual

cultural extravaganza of the university and offers a good mix of literary, cultural, and entertainment events. The INVICTUS is annual technical festival of the university where all technical societies of the university host various technical events and competition.

Placements

DTU has been ranked among top institutes in India in terms of placement and higher studies as per NIRF data (2022) in the Engineering category. The university students are placed in reputed companies offering a promising and high-profile career in domains like core sector software and IT services, research, consulting and analytics. More than 315 companies visited the campus in last academic year for campus placement and there were 2010+ offers. The average package for B.Tech is Rs. 15.09 lacs. More than 515 students have received offers above 20 LPA and there are 877 offers between 10 to 20 LPA. The highest domestic package is 82.05 LPA. Some of the top recruiters include Google, Amazon, Microsoft, Uber, Sprinklr, Uniqlo, Goldman Sachs, Qualcomm, Texas Instruments, Synopsys, SanDisk, Nvidia, Maruti, Samsung, Bain, KPMG, McKinsey, PWC, GAIL, BEL, C-Dot etc. These leading companies not only offer jobs to the final year students but they also offer paid internships to pre - final year students with highest stipend upto Rs. 2 lacs per month and average stipend of   Rs. 75,000 per month.

Fee Waiver Schemes and Scholarships

The university provides fee waiver to students with lean financial background. There is a provision of up to 100 percent waiver of the tuition fee component of the total academic fees for those students who fulfill the laid down criteria. In the last academic year, the university granted tuition fee waiver amounting to Rs. 6.95 crores. Further, a merit scholarship of Rs. 10000/- is awarded to the respective topper of all branches of B. Tech. programme. Several Merit-cum-Means scholarship schemes are offered by Govt. of India and Govt. of NCT of Delhi for students belonging to different categories. A dedicated window with Nodal officer is available at Academic Section (UG) for handling all queries related to scholarship Schemes. Students may approach there on any working day between 10:00 am to 2:00 pm In addition to these many other scholarships instituted by Alumni and other private agencies are on offer for meritorious students.

University Student Internship Program (USIP)

University has a provision for student's internships through the USIP in which the selected interns are assigned to various academic and administrative units. These student interns while assisting the various departments and units obtain hands on exposure to the working of the university. They are paid a stipend of Rs. 3500/-per month.

Indira Gandhi Delhi Technical University for Women (IGDTUW)
(Established by the Government of NCT of Delhi vide Delhi Act 9 of 2012)
(An ISO 9001:2015 Certified University)
Education - Enlightenment - Empowerment

A Country's progress is incomplete if the women are not empowered. Education is the first step towards it which makes women self-reliant and contribute towards the society. In May 2013, **Indira Gandhi Delhi Technical University for Women (IGDTUW)** was established and is now a completely self-reliant University imparting high quality technical education exclusively for Women on its Kashmere Gate heritage Campus situated in the heart of Delhi. Our vision is to make India a Knowledge Society and Economy by empowering the women of our country through education in Engineering, Science, Management,

Architecture and Technology. In last few years, the University has achieved a number of milestones, to name a few recent ones are:

- Ranked 40th in overall top 100 Universities globally and 8th in Special Category of Entrepreneur Spirit by **World University Ranking Impact (WURI)** 2023.
- IGDTUW received the highest **'AAA' Rating for NPTEL & Swayam Courses** and was ranked among top 10 institutions in India for   December, 2022.
- Awarded with **Grade "A" by NAAC** with score 3.24.
- IGDTUW has been recognized as **Zero Waste and ZERO Plastic Campus** by Municipal Corporation of Delhi (MCD) on 15th March, 2023.
- IGDTUW has been conferred with **New Code of Education Award** by AICTE for 2022 India Today Rankings 2022.
- IGDTUW has been conferred **University Excellence Award** during Indian Engineering Congress Centenary Celebrations in December, 2021.
- IGDTUW makes India Proud by being shortlisted in the "**The Awards Asia 2022**" under the category "Outstanding Support for Students".
- Conferred with **FICCI University of the Year-2021** Award for its continuous commitment towards Quality Education.
- Awarded the **2nd fastest growing University** by India Today in 2022.
- Ranked in the band of 101-200 by prestigious **'*Times Higher Education World Impact Rankings 2021*'** for Sustainable Development Goal (SDG-4 & SDG-5) i.e. **Quality Education & Gender Equality.**
- IGDTUW is the only Government University in India, selected by QS I QUAGE for awards of **E-LEAD INSTITUTE** for E-Learning Excellence for Academic Digitization.
- Awarded with a **Diamond Rated University** through rigorous analysis against performance metrics by QS I-Gauge (Indian College & University Rating)

IGDTUW functions efficiently as a Teaching & Learning, Research-Oriented Center in various branches of Engineering, Technology and Management promoting advancement and dissemination of research led knowledge among women from all over the country. It helps our country 'India' to meet the requirements of professionally skilled (with ethical values) women workforce in high-tech domains. The strategic intent (VMO) of the University is to foster industry relevant research and innovations and empower the women of our country through value based higher education making them Employable, Self-Reliant, Entrepreneurship Development, Responsible Citizen of the country with concern for Environment and Society.

The university is committed about developing Sustainable systems and State-of-the-Art infrastructure to enable the Indian women to become future Leaders, Managers, Researchers, and Productive Team Players in the field of Science, Engineering, Technology and Management.

Infrastructure and Transforming students into Leaders through Meticulous Programs
IGDTUW has a State-of-the-Art infrastructure comprising of modern well-equipped Labs, fully Wi-Fi enabled campus, Computer Centre, fully Automated Library, Auditorium, Multi-purpose Hall, Conference Room, Seminar Room, Hostels, Sports & Recreational Facilities, etc. Labs are equipped with high end latest hardware, software and other necessary equipment. University has procured supercomputing system i.e. **DGXA100 GPU Server** from NVIDIA which has 8 number of A100 GPUs with 40 GB memory per GPU along with 100TB storage. Also State of the Art computing labs and licensed software including MATLAB, PTC CREO, CATIA, OXYGEN Forensics Toolkit, FluidSim, NetSim etc along with a basket of open-source software and toolkits.

The university has worked hard to build a strong Academic Curriculum with a rich diversity of courses and is working towards new Academic Initiatives. Academic Innovations have always been topmost in the priorities of the University.

With globalization, today's graduates need to be flexible, to be able to learn quickly and to be able to innovate to produce products and services that can cater to local needs and global standards. The institute has designed the B. Tech. curriculum from the ground up to produce Technology-savvy Leaders and Designers for future India through the **Choice Based Credit System (CBCS)** based curriculum where student has freedom to study subjects of her choice.

Curriculum includes subjects from Departmental Core Courses, Departmental Elective Courses, Allied Elective Courses and Generic Open Elective Courses. Students can also join MOOC courses from NPTEL and others. Students can choose the **Project Track, Research Track or Entrepreneur Track** based on her interest for minor and major project work.

The curriculum has a broad base of courses in Engineering, Management, Humanities and Architecture. The syllabi are continuously updated and new courses are added from time to time. Academic Council and the Boards of Studies have strong representations from industry in addition to academicians from top Academic Institutions. University is offering the following programs:

Under Graduate Programs:
- **Bachelor of Technology (B.Tech.) in**
    1. Computer Science and Engineering (CSE)
    2. Computer Science and Engineering – Artificial Intelligence (CSE-AI)
    3. Electronics and Communication Engineering (ECE)
    4. Electronics and Communication Engineering – Artificial Intelligence (ECE-AI)
    5. Information Technology (IT)
    6. Artificial Intelligence and Machine Learning
    7. Mechanical and Automation Engineering (MAE)

- **Six-Years Dual Degree Bachelor of Mechanical and Automation Engineering (B.Tech. - MAE) and Mater of Business Administration (MBA)** with Exit Option after 4 years (DMAM)

- **Bachelor of Architecture (B. Arch.)**
- **Bachelor of Business Administration**

Ecosystem for Research
Research is an integral and most important part of IGDTUW. As a Technical University we are keen on promoting faculty and students for research work.

a. **Promote Quality Research**
   i. **Research Incentives and Awards to celebrate exceptional performances**: Every year, faculty members/PG/PhD researchers are awarded with a Cash Prize & Award for outstanding contribution to Research.
   ii. **Research Awards for Students**: To boost the culture of Research & Innovation, students at UG/PG Level are bestowed with Cash Prize & Certificates for best paper publication.
   iii. **Research Grants**: IGDTUW provides **financial assistance** to all the faculties/students **to participate in conferences at National/International level**.
   iv. *Premier Patent Awards:* A cash prize of **Rs. 5,00,000** is awarded along with a certificate of merit for **Grant of US/UK Patent**.
   v. *Commendable Patent Awards:* A cash prize of **Rs. 2,00,000/-** is awarded along with a certificate of merit for **Grant of Indian Patent**.

b. **Promote Sponsored Research**: IGDTUW has fetched more than 15 projects from Department of Science & Technology (DST), Ministry of IT & Electronics (MietY), Department of IT and Electronics (DietY), Ministry of Education (MoE) etc with the funding of more than Rs. 20 Crores.

c. **Centre of Excellence**: It is a matter of immense pride and honour for faculty and students of IGDTUW that the university has set up following Centre of Excellences (CoE) with ultra-modern high-end facilities:

  i. **Centre of Excellence (CoE) in Artificial Intelligence**: IGDTUW has received a whooping grant of Rs. 8.5 Crores from DST for establishing CoE in AI.
  ii. **Centre of Excellence in Mechatronics:** IGDTUW has received a massive funding of Rs. 8.67 Cr, given by DKDF, Delhi Govt. for set up CoE in Mechatronics to promote research on Drones, Robotics and Industrial Automation.
  iii. **Rekhi Centre of Excellence for the Science of Happiness:** IGDTUW has signed an MoU with Rekhi Foundation for Happiness, USA to develop a platform that would help in imparting the Knowledge of Happiness and Positive Psychology and contribute towards developing an eco-system of Happy & Successful people.
  iv. **NIDHI TBI: Department of Science & Technology, GoI has sanctioned Rs. 6 Crores to accelerate & boost** Innovation, Entrepreneurship, Start-ups and Incubation related activities at the University Campus.

d. **Prestigious Collaborations:** IGDTUW has partnered with several industries for knowledge updation & bridging the gap between academia and industry. Few of these collaborations worth mentioning are: **NASSCOM & CISCO** for setting up of **thingQbator** Innovation Lab & **M/s Flour Daniel** for setting up Turning Lab (both under their CSR activities), **EATON Foundation** for Internship placement and scholarship to students, **IBM India Pvt Ltd** for academic growth and Technological advancement, **Amazon AWS**, **Ennoble IP, GiZ Germany, ORTISLaw,** etc. University has also signed MoUs with prestigious Universities and Research Institutes across the globe including **Universiti Malasia Perlis, Malaysia**, **James Cook University, Australia, NAIST Japan, Maykop State Technological University, Russia, Indian Institute of Information Technology, Pune** and others. University has a strong collaboration with **UNESCO-MGIEP** for integrating social emotional learning (SEL) into the academic curriculum.

Clubs and Societies

Students are encouraged to take part in various *curricular and extra-curricular activities, competitions, Hackathon etc.* On several occasions, they represented the university and won prizes and medals at National/International Levels and brought laurels to the university. The University has **Seven Technical Societies** like ACM chapter, IEEE, OSA, WiBD, IETE etc., **Fourteen Institute Level Societies** and **Four Clubs** focusing on various Technical, Art & Culture and Environment activities.

Placement Opportunities at IGDTUW

In the realm of placements, IGDTUW has achieved remarkable success, as evidenced by the outstanding numbers we have garnered. We are pleased to announce that our students have received a staggering total of **1029 offers** from various recruiters. Speaking of recruiters, we are delighted to inform you that a remarkable **193 number of companies** have been a part of our placement drive. It gives us immense pleasure to reveal that our students have secured the **highest package of 82 LPA**, which was generously offered by **Atlassian**. Furthermore, the **average CTC stands at an impressive 20.06 LPA**, reflecting the consistency and calibre of our students in securing promising job offers across a wide spectrum of industries. The scope of our Training & Placement program extends beyond national boundaries, as demonstrated by the highest international offer received by one of our students. A remarkable **82 LPA offer from Bloomberg, London showcases the global opportunities** that await our graduates.

Not forgetting the importance of internships, we are delighted to announce that our students have secured the **highest stipend of 1.6 Lakhs/Month, offered by Uber**. This remarkable stipend serves as a testament to the practical skills and knowledge our students acquire during their academic journey. The **average stipend of 64,000/- per month** further highlights the desirability of our students in the industry and their ability to contribute effectively to organizations.

Furthermore, we collaborate with prestigious international universities and organizations to provide exchange programs, study abroad opportunities, and research collaborations. These initiatives not only enable our students to experience different cultures and academic systems but also enhance their academic profiles, making them highly sought-after candidates in the global academic arena.

Additionally, we are thrilled to announce that our placement drive for this academic year is still underway, and the numbers mentioned above are just a glimpse of the tremendous success our students have achieved so far. With several more recruiters yet to visit our campus, we eagerly anticipate the numbers to soar even higher by the time we conclude the placement drive.

Fee Waiver/Scholarships/Financial Support

Various Fee Waiver/Scholarships/Financial support schemes have been incepted in IGDTUW to motivate the meritorious students and to support the students from economically weaker sections.

- Students get benefit from various Government Schemes like Merit Scholarship, Merit-cum-Means scholarship, Post Matric Scholarship, Prime Minister Scholarship and others.
- Industries like Eaton, DLF, Nutanix and others also provide financial support to the meritorious students.
- Students are facilitated and supported to apply for Scholarships at Centre, their home State, Corporates. Further details are available on IGDTUW Website.
- Human Capital for Third Sector (HCTS) under its program called 'Katalyst' has signed a MOU with IGDTUW with an objective to provide life skill enhancement training, mentoring, technology support besides Financial Assistance to the Students.
- Approx. 50 students get scholarships of worth 25 Lakhs from Shraman Foundation, USA
- 100% Tuition Fee Waiver to students having JEE Rank less than 5,000 *.
- 100% Tuition Fee Waiver to First Rank Holder of B.Tech. Program in each department under EWS Category *.

*Note: For details guidelines, pls refer to university website.

Alumni Network

In addition to our remarkable placement statistics, we are thrilled to highlight the active presence of our esteemed alumni community. The IAS (IGDTUW Alumni Society), our registered alumni society, plays a pivotal role in fostering a strong bond between our alumni and the university. The University's Alumni Body is a vast and thriving community of Technocrats, Senior Executives, Successful Entrepreneurs, and Leaders of Society. Internships with government bodies and various MNCs are encouraged for more holistic learning. IGDTUW alumni are working with many prestigious companies like Facebook, Microsoft, Adobe, Cisco, SAP Labs, Oracle, Qualcomm, Mahindra & Mahindra, General Motors, Cognizant, Aricent, Tata Consultancy Services, Yamaha Motors, Hindustan Unilever, IBM India, and many more. Many Institute's Alumni are pursuing higher studies at the University of Johns Hopkins University, CMU, University of California, Berkeley, UCLA, New York University, University of Michigan, etc.

IGDTUW Anveshan Foundation

IGDTUW has promoted and incorporated a separate Section 8 Company under the Companies Act, 2013 to propagate Entrepreneurial Culture and Ecosystem among Women, in the year 2016. Anveshan has received a total grant of more than Rs. 12 Crores from the GNCTD and Government of India. All kind of facilitations (pertaining to the start-up ecosystem) are provided by Anveshan Foundation in five phases of

such as i) Pre-incubation, ii) Incubation, iii) Acceleration, iv) Post-incubation and even v) Virtual Incubation.

Anveshan provides enormous facilities to the aspirant and budding women entrepreneurs. In Pre-incubation, activities related to Motivation, Ideation, PoC, PoV, Innovation, Prototyping, MVP, Feasibility, Prior Art, Intellectual Property Right, Pitching Deck, Business Plan and Presentation skills are provided to the participants by Anveshan Foundation. A full-fledged E-Cell (Entrepreneurship Cell) is actively working for and by the University Students.

Total twenty-five private limited companies have been facilitated by Anveshan Foundation. All of these incubatees are women enterprises. Incubation Center provides facilities for Company Incorporation, fully furnished air-conditioned office space, complete ICT and free consultancies in technical, business and strategic front to all of its incubatees. Many of these incubatee companies are provided seed fund of up to INR 10 lakhs.

IGDTUW Anveshan Foundation is inviting application for its next batch of Incubatees. Any women candidate/ enterprise can apply online/ offline. www.anveshanfoundation.org

Indraprastha Institute of Information Technology (IIIT-Delhi)
(Established by the Government of NCT of Delhi vide Delhi Act 5 of 2008)

Indraprastha Institute of Information Technology Delhi (IIIT-Delhi) was created by an Act of Delhi legislature empowering it to carry out Research and Development, conduct educational programs, and grant degrees. The General Council is the apex body of the Institute, chaired by Hon'ble Lt. Governor of Delhi and the Board of Governors is the policy and decision-making body of the Institute. The Senate is empowered to take all academic decisions.

IIIT-Delhi is a comprehensive research-led teaching Institute where faculty, students, staff, and alumni work together in a spirit of discovery and creativity to build a better world. The Institute emphasises quality education, curiosity-led research, and innovation leading to entrepreneurship. The teaching activities at the Institute derive strength from the cutting-edge research conducted by faculty, strong industry linkages, and international collaborations.

IIIT-Delhi has six academic departments - Computer Science and Engineering, Electronics and Communications Engineering, Computational Biology, Human-Centered Design, Mathematics, and Social Sciences & Humanities. Its research centres include the Infosys Centre for Artificial Intelligence, Centre for Design and New Media, Centre of Technology in Policing, Centre of Excellence on Sustainable Mobility, Centre of Excellence for Light Fidelity, Centre of Excellence in Healthcare, DataKart Centre of Excellence and Centre for Quantum Technologies.

IIIT-Delhi has set up a Technology Innovation Hub under the National Mission on Interdisciplinary Cyber-Physical Systems to catalyze state-of-the-art research, technology transfers, industry engagement, and entrepreneurial activities. IIIT-Delhi is also a part of the Delhi Science and Technology cluster and addresses some of the hyperlocal problems through research.

The Institute has a healthy innovation ecosystem leading to entrepreneurship. The IIITD-Incubation Centre is instrumental in driving the growth of entrepreneurial activities at the IIIT-D campus, which includes providing incubation support, funding, infrastructure, mentoring, etc., to students, faculty members, alumni of the Institute, and other entrepreneurs working on technology start-ups. Funds from DST, MEITY, and the Delhi Government supports the Incubation Centre.

IIIT-D is committed to Sustainable Development Goals. In support of the Agenda 2030 for Sustainable Development Goals, the Institute hosts an Annual Conclave. The aim is to create a public platform

facilitating discussion on the use of information technology for the sustainable development of the National Capital Region (NCR).

The Institute takes pride in maintaining a green campus and has been bestowed with the AICTE Clean and Smart Campus Award three times consecutively. IIIT-Delhi has a built-up area of 100,000 square meters. The academic campus includes a modern lecture hall complex, R&D Block, state-of-the-art classrooms, research labs, a Library and Information Centre, Incubation Centre, newly-constructed hostels for boys and girls to accommodate 1800+ students, and a dining and student activity centre, multiple eateries including a 24-hour canteen, and Faculty residence blocks. The campus also has a multipurpose playing field, a gymnasium, indoor badminton and squash courts, outdoor tennis courts, basketball and volleyball courts, and an indoor swimming pool. The academic complex incorporates several green-building features and is (provisionally) GRIHA rated, zero-discharge campus with sewage treatment plants, rainwater harvesting, heat pumps, and solar power plant on terraces of all new buildings.

IIIT-Delhi is committed to playing a scientific leadership role by creating new knowledge, defining the future of IT and allied areas, preparing leaders for tomorrow, and making a tangible impact for the betterment of society.

Vision:

The vision of the Institute is to be a world-class research-led institution of higher education in IT and allied areas which is:

Globally respected for research and education

Offers thriving UG and PG programs

Socially relevant, industry-facing, and globally connected

The Institute aims to encourage innovation and entrepreneurship in specified domain areas of IT. Towards this end, it plans to organize itself as a conglomerate of R&D Centres, some of which would partner with different companies and global organisations. The idea is to engage all Centres in teaching and thesis guidance. These Centres, with various labs, have the potential to become the hub of activity, with active contribution from faculty and students - B.Tech., M.Tech., and Ph.D.

Mission:

The mission of IIIT-Delhi is to be a global centre of excellence in Information Technology education, training, and research. Its twin aims are:

To carry out advanced research and development in information and software technologies and leverage IT in specific domain areas.

To train and educate engineers of outstanding ability at undergraduate and postgraduate levels to become innovators and new product creators.

Ranking and Accreditations

The Institute started participating in the NIRF and other ranking surveys in 2016. In the 2016 survey, the NIRF ranked IIIT-Delhi at 56th place. Since then, the institute has expanded its ranking and participates in prominent National and International surveys like QS, Times Higher Education, NIRF, India Today, Data Quest, and FICCI Higher Education Awards, to name a few. In the last few years, the Institute is maintaining a spot in the top 100 universities in the country and has been ranked at place 69 in the 2022 NIRF ranking survey. IIIT Delhi has achieved remarkable recognition in the DQ T-School Ranking, positioning itself at the forefront of technical education. The institute's consistent dedication to excellence has earned it an impressive rank of 3rd in the Overall category. In the QS ranking survey, which is the most valued survey internationally, the institute is ranked 78 in their QS World University Rankings: Southern Asia 2023 edition. IIIT-Delhi first appeared in the QS ranking in 2019; then, it was placed at 351-400 in the QS World University Rankings: Asia 2023; and at 78 in QS World University Rankings: Southern

Asia 2023. The Institute has received prestigious higher education awards as well. The institute received FICCI Higher Education Excellence Award in the category Excellence in Faculty in 2020-2021 and received University of the Year (10-30 of age) in their 2022 edition.

Infrastructure & Facilities

IIIT-Delhi set up its permanent campus in Okhla Phase III in 2012 with the state of art infrastructure and all modern facilities to carry out world-class research.

The Institute has an auditorium and a total of 25 lecture halls of varying sizes. The auditorium has a capacity of 500, two big lecture halls with a capacity of 300 each, three lecture halls with each having a capacity of 160-180 people, four lecture halls with a capacity of 120 each, two having a capacity of 60, and fourteen with a capacity of 25-50 each. Two Faculty Housing Towers are having a Director's residence and 72 faculty houses. At present, there are four hostels, two for the boys having 508 and 454 beds, and two for the girls with 404 and 394 beds. Also, there are 22 married hostel accommodations available for married Ph.D. students. The hostels have options of single and double occupancy rooms, all of which are air-conditioned. All hostel residents are permitted to move around the campus at all times, and some of the study areas are kept open 24x7 for the benefit of the students. To provide 24X7 medical cover for our Faculty, Staff, and students, the Institute has set up an inhouse Infirmary. High-speed Internet connectivity is also available in hostels and throughout the campus. The Sports Block of the Institute also includes the Guesthouse, with 20 guest rooms and other sports facilities.

The Research & Development Block has over 100 faculty rooms and multiple research labs, Ph.D. rooms, M.Tech. Labs, Meeting Rooms, and Discussion Rooms.

The Library and Information Centre of the Institute is housed in a separate building on the campus. It is a user-focused Centre of learning resources that meets all the IIIT-Delhi academics and research fraternity requirements regarding teaching, research, and training programs. The Library is fully automated using RFID Technology with EM Security System. The Library has an enriching collection of print and electronic resources in all areas of interest.

The Dining and Recreation Centre contains the students' mess and facilities. For extracurricular activities there are clubs rooms, art room, students' council room, etc., spread over three floors. Cafeteria, ATMs, a stationery store, a mother dairy outlet, juice centres, smart laundry, etc., are also available for the students in the student center building.

The Institute is equipped with a number of indoor and outdoor sports facilities. The Institute's new sports complex is equipped with a Badminton court, Table Tennis tables, Pool tables, Squash courts, Swimming pool, while Chess boards and Carrom boards are available in the hostel common rooms. The Institute also has a multipurpose sports field, two Tennis courts, a football ground, a Basketball court, and a Volleyball field. Lighting facilities are available at all the courts. The Institute also provides a sports coaching facility for students. Institute Self-growth activities include active participation under various sports activities. Students also participate in various inter university sports meets and have our own sports meet ASTRA. The Institute's gym offers treadmills, a cross-trainer, a recumbent bike, an abdominal machine, and dumbbells. Gym trainers are also available during morning and evening sessions.

Academics
IIIT-Delhi believes in giving its students opportunities beyond the regular classroom teachings. A significant amount of time and effort goes into designing each course taught at IIIT-Delhi in a manner that makes our students academically strong and helps them think out of the box.

The Institute currently has six departments offering 8 B.Tech., 3 M.Tech. and 6 Ph.D. programs:

Computer Science & Engineering
Electronics & Communications Engineering
Computational Biology
Human-Centered Design
Social Sciences & Humanities

Mathematics

Apart from these, IIIT-Delhi has nine Research Centres:

Infosys Centre for Artificial Intelligence
Centre for Design and New Media
Centre of Technology in Policing
Centre of Excellence in Healthcare
Centre of Excellence On Sustainable Mobility
Centre of Excellence on Light Fidelity
DataKart Centre of Excellence
Centre for Quantum Technologies
Centre of Excellence in Human Computing

IIIT-Delhi offers programs in CSE, ECE, and CS+X disciplines. Some of the B.Tech. programs of IIIT-Delhi are also open for Non-Science students with Mathematics in class XII. IIIT-Delhi follows a choice-based credit system in all its programs. All the programs offer great flexibility to the students to pursue courses from different disciplines. Curriculum flexibility also allows students to pursue online courses, spend a semester at another university, indulge in research work, etc. Students are also required to do Self Growth and Community Work as a mandatory part of their B.Tech. degree.

Faculty
The standard of education of an institution is mainly dependent on the quality of its faculty. All regular faculty members of IIIT-Delhi have a Ph.D. degree from reputed universities worldwide or top Institutes in the country. Most faculty members have post-doctoral experience from abroad and regularly collaborate with researchers across the globe. IIIT-Delhi follows a tenure-track system, which is in line with the recommendations of the National Education Policy 2020.

IIIT-Delhi is a research-led teaching Institute that encourages faculty members to conduct cutting-edge research focused on solving societal issues. The Institute offers different types of faculty fellowships, initiation research grants, sabbaticals, etc., to the faculty to pursue their research interests. It also provides enabling mechanisms to take up deep-tech entrepreneurial ventures. Internal workshops are conducted among faculty to exchange ideas regarding good teaching practices. This allows the faculty members to try new approaches for revitalizing teaching effectiveness and improving pedagogy, keeping the learning needs of students in focus.

Apart from educational and research pursuits, the faculty of the Institute actively contribute to national and global professional services in various ways. Many of them are members of various national committees, are editors of journals, and serve on the technical program committees of national/ international conferences. They also review manuscripts for research publications in journals and conferences. Entrepreneurship and intrapreneurship are encouraged among faculty, and over 15% of the faculty members are engaged in entrepreneurial activity on campus. Regular feedback for professional growth is provided to faculty members through annual reviews. The Institute underscores the importance of recognizing talent and gives teaching excellence awards and research excellence awards to faculty members who excel.

Research
IIIT-Delhi has always emphasized bringing real-world relevance into the classroom and has encouraged faculty members to work with industry and government partners on sponsored research.

The faculty members of IIIT-Delhi are involved in collaborative research, funded both by national and international agencies and industry partners. The Institute has set up modern laboratories and supporting infrastructure to carry out cutting-edge research. The faculty members continuously involve students in the projects to provide them an edge over other researchers regarding hands-on practical application in solving real-life issues. Sponsored research projects have also emerged as a crucial factor in creating the research infrastructure while strengthening the facilities in emerging technology areas.

These projects and assignments require a fair amount of scientific and technical inputs from the faculty and staff of the Institute. The students also get trained in the process of tackling practical problems.

The Institute recognizes that knowledge and expertise are essential for solving pressing technological issues relevant to industry requirements and is committed to working towards matters of national concern.

Cutting-edge research is carried out both within disciplines and at the interface of domains. One of the parameters to test the efficacy and impact of the research work carried out at the Institute is its applicability to relevant problem-solving. The faculty members at IIIT-Delhi regularly undertake R&D projects sponsored by government agencies, industries, or other institutions to generate new knowledge, develop new technological processes, and create new products. The faculty members and students working on these sponsored research projects help delineate the difference between engineering and technology to make the maximum impact.

Vibrant Student Life

Students take part in a number of social and cultural activities. If they want to pursue a hobby, they just need to find some like-minded people to start their own club (if not already in existence). IIIT-Delhi has a very active student club and organizational system that students can access through the Institute website. All students are strongly encouraged to pursue club membership opportunities to help them enrich their college experience. The Institute has more than 29 active clubs already in existence at IIIT-Delhi. Some of these are Quiz Club - Trivialis, Drama Club - Machaan, Astronauts Club, Dance Club - MadToes, Byld, Women in Tech(WiT), Music Club - Audio Bytes, Photography Club - Tasveer, the Literary Club, Computer Security Club, FooBar, Virtuality Club, Cyborg Club, Evariste Club, Meraki Club, Muse, Math club, IEEE and many more

The campus is the host of numerous academic, socio-cultural, and sports events.
- ESYA: the technical fest of the institute with an approximate footfall of more than 5k students
- Odyssey: the cultural fest of the institute with an approximate footfall of more than 10k
- Book exchange week
- TedX@IIITD Hackathons
- Sports tournaments like Triquetra
- Community activities like blood donation camps, tree plantation drives, summer camps, etc.
- National festivals are celebrated in the campus with great zeal like Diwali, Eid, Christmas, Halloween, Holi, Republic Day, etc.

Placements

IIIT- Delhi students enjoy the best combination of strong technical background, excellent soft skills and continue to witness impressive placement statistics. With the current placement scenario, IIIT-Delhi has been able to create a strong name and is in league with the best campuses. Over the years we have seen a significant increase in all aspects: numbers, quality/brands, compensation, profiles average salary, percentage of students placed, etc.

The campus has hosted 150+ companies in the year 2022-2023 and received 760 offers (604 Full time + 156 Intern offers) including 02 international offers. The average package was Rs. 25.39 LPA (B.Tech.) with the highest Indian salary offered Rs. 51.03 LPA and the highest International salary offered 9.2 Million JPY.

The overall median salary was 18.50 LPA (B.Tech).

Google, JP Morgan Chase Microsoft, Fast Retailing, Qualcomm, Rippling, Oracle, Mathworks, Goldman Sachs, Amazon emerged as top recruiters and hired in good numbers for the 2022-23 season.

Companies like Tower Research, Adobe, HSBC, Reliance JIO, ICICI Bank, PayTm, IDFC Bank, McKinsey, IBM, Dell, Western Digital, Mercedes, Mediatek, Cadence, NXP Semiconductors, Synopsys, Thales, NetApp, Nvidia, ST MicroTejas Networks, etc. continue to be the top recruiters at IIIT-Delhi.

The profiles offered by these companies include Software Developer, Full Stack Developer, Research Engineer, Data Scientist, Design Engineer, System Engineer, ASIC Digital Design Engineer, Operations

Engineer, Associate in EDG, Quantitative Researcher, Business Unit – Application Development, Member of Technical Staff, VLSI , Cyber Security , Business Analyst, and Market Analyst, etc.

13 of our students from the last batch went for pursuing higher studies in prestigious universities like the University of Southern California, Texas A&M, IIM Indore, IIM Ahmedabad, University of Maryland, Stony Brook University, IIT Bombay, Georgia Institute of Technology, University of Washington, University of Massachusetts, University of Georgia, United States, etc.

Fee Waiver Schemes

a) **IIIT-Delhi has Income Linked Fee Waiver Scheme** for economically challenged Delhi students. Under this scheme, the students whose parents are below the poverty line are given a 100 percent waiver in fees. There are two other categories as well for 50 or 25 percent fee waivers. Students are also eligible for the government's Merit-cum-Means scholarship.

b) In addition to the fee waiver schemes and scholarships, IIIT-Delhi also provides a Merit-cum-Means "IGL Scholarships" for B.Tech. students established by Indraprastha Gas Limited in 2018. The scholarship aims to support seven meritorious B.Tech. students from economically weaker sections each year. These students are provided with a sum they can use to pay a part of their fee or buy books or other study-related material.

c) **Laptop Scheme: For Students from Economically Weaker Section:**

The Ex-Founding Director & Distinguished Professor, Prof. Pankaj Jalote has launched a Laptop scheme in the year 2020, through which he distributes free Laptops to students who are from economically weaker sections so that they do not face any challenge during their studies at IIITD. Candidates who are eligible for receiving 100% scholarship through Delhi Government Merit cum Means scholarship scheme / IIIT-D Fee waiver scheme, are eligible for the Laptop Scheme. Limited number of candidates will be considered under this scheme based on the criteria announced suitably by the institute.

The Institute is moving forward as a community and is firmly on the path towards sustainability and transformation, thereby becoming a globally respected and recognized institution. The management is committed to achieving specific goals to create an environment wherein intellectually capable, innovative, and entrepreneurial professionals are nurtured and trained to work unceasingly to serve the nation and society.

d) **Chairman's Scholarship:**

1. Students with JEE Main rank below 1000 will be awarded a scholarship equivalent to 100% of the tuition fees.
2. Students with JEE Main rank between 1000-2000 will be awarded a scholarship equivalent to 50% of the tuition fee.

e) **Women Empowerment Scholarship in STEAM Education (WESSE)**

Top 100 female students who scored more than 95% aggregate marks in the XII Board Exam, and gets admission to IIIT-Delhi in any B.Tech. program will be granted a scholarship equivalent to 50% of the tuition fee provided the candidate is not eligible to get any other scholarship from a Government source. If a candidate is eligible to get any other scholarship from a government source, they must apply for the same, and the Institute shall be committed to covering only the remainder scholarships.

Note: (Applicable for the scholarship schemes mentioned in d & e)
These scholarships will be applicable to the candidates admitted to the Institute in the Academic Year 2023-24, initially for a duration of one year, and may be reviewed for continuation.

f) Fast Retailing Sponsorship Program

IIIT-Delhi has signed an MoU for the education sponsorship program with Fast Retailing Japan . FR is Fast Retailing Co., Ltd. is a public Japanese multinational retail holding company. In addition to its primary subsidiary Uniqlo, it owns several other brands, including J Brand, Comptoir des Cotonniers, GU, Princesse Tam-Tam, and Theory and the world's third-largest apparel manufacturer and retailer.

Under the MoU , Fast Retailing will provide full tuition & dormitory fees covering all four years of a Bachelor's degree program.

The sponsored students will get an opportunity to learn Japanese Language & Culture classes and do summer internship at Uniqlo India.

The sponsored students will also be eligible for a full time offer at Fast Retailing Japan if the student clears their selection criteria's.

g) Kartikeya Gupta Memorial Scholarship

August 2021 onwards a Kartikeya Gupta Memorial Scholarship has been started for B.Tech, students in the memory of late Mr. Kartikeya Gupta, B.Tech.(ECE) student of 2018 batch.   For eligibility criteria and other details, please visit https://www.iiitd.ac.in/admission/kgmemorial-scholarship.

DELHI SKILL AND ENTREPRENEURSHIP UNIVERSITY
(A State University Established under Govt. of NCT of Delhi Act 04 of 2020)
Head Office: DSEU Dwarka Campus, Sector 9, Dwarka, New Delhi – 110077

The Delhi Skill and Entrepreneurship University (DSEU) has been established through an act of the Legislative Assembly of the National Capital Territory of Delhi, namely the "Delhi Skill and Entrepreneurship University Act, 2019" (Delhi Act 04 of 2020) to provide quality education in applied sciences and skill education. The University aims to equip students with world-class skill education to enable access to aspirational jobs and inculcate an entrepreneurial mindset and entrepreneurship. DSEU creates a win-win for the youth and industry by filling the existing gaps in skill training.

Building on the education philosophy of thinkers, such as Mahatma Gandhi and Vinoba Bhave, DSEU aims to integrate the use of the hand, head and heart for balanced living and engagement in lifelong learning. The focus is on teaching both self-reliance for lifelong independence and the wisdom toward nurturing and valuing interdependence.

The University wishes to change the existing paradigm of skilling, making skill acquisition aspirational and providing opportunities to all for skilling, up-skilling and reskilling. Besides, DSEU will support and nurture entrepreneurs and provide quality mentorship to steer the entrepreneurial journeys of those interested, by providing incubation and hand-holding.

The University's focus is on offering programs in close collaboration with industry partners, which gives our students an edge in a better understanding of the skills required by the industry. Students undertake live projects, regularly interact with domain-specific experts, and take up on-the-job training in

organizations during their program work, simultaneously integrating the theory learned in the classroom with actual work experience. It is this model of "learning by doing" which becomes a win-win situation for all stakeholders involved. Further, we have a dedicated team for External Relations and Placements & Partnerships which have created a transparent and robust ecosystem helping recruiters and students make informed decisions.

Vision

- Set the standards for skill and entrepreneurship education.
- Lead all students at DSEU to experience personal transformation who in turn become agents of community transformation.
- Become a leading partner in the sustainable growth of the country and the industry.

Mission

- To accord dignity to each and every skill by emphasizing its teaching and learning
- To inculcate an entrepreneurial mindset for the sustainable growth of the planet, the country, the society, the industry, and the individual.
- To work in partnership with the industry to nurture talent which is work ready on the day they graduate.

Key Principles

Delhi Skill and Entrepreneurship University has defined some key principles which are embedded in all its programs to help in the holistic development of all students:

- Develop market-linked programs by customizing them to specific job roles.
- Multiple entry/exit options and offer integrated career pathways.
- Design inclusive programs.
- Ensure holistic development by deeply integrating employability/life skills in the curriculum.
- Leverage technology.
- Equip students with an entrepreneurial mindset.
- Hybrid learning modules.

Programmes Offered

The University started with its inaugural Academic Year in 2021 and launched 15 Diploma programs, 18 Undergraduate programs (11 Flagship programs, BCA and 6 B.Tech. programs) and 2 Postgraduate programs across 13 campuses in Delhi. In the second academic cycle (2022-23), admissions for 15 Full-time Diploma programs, 2 Part-time Diploma programs, 15 UG programs, and 4 B.Tech. programs, 4 M.Tech. Programs, MCA and 4 Ph. D programs were conducted. In the third academic year i.e. 2023, the University is launching admission across 21 Campuses in Delhi in 17 Full-time Diploma programs, 12 Lateral Entry to Diploma Programs, Advanced Diploma in Automotive Mechatronics, 20 UG programs, 4 B.Tech. programs, 4 Lateral Entry to B. Tech programs, 4 M.Tech. programs, MCA, M.Sc. (Medical Laboratory Sciences), 4 Ph. D and various other Short Term Certificate programs.

S.No.	B. Tech. Programs	Duration
1	B. Tech. ME (Mechanical Engineering)	4 years
2	B. Tech. CSE (Computer Science Engineering)	4 years

3	B. Tech. ECE (Electronics and Communication Engineering)	4 years
4	B. Tech. MCT (Mechatronics Engineering)	4 years

Further, the University also offers short term specialized programs. The University has launched **'Spoken English Course'** for the aspiring youth to help them groom their English communication and Soft Skills. The learners will be assessed and awarded a globally accepted certificate, jointly by DSEU, and Cambridge University Press & Assessment India Pvt. Ltd. A highly specialized **Advanced Diploma in Automotive Mechatronics ADAM** course is being run under Auto Mechatronics Research Centre (AMRC), DSEU. The training provides practical hands-on experience on a Mercedes Benz and a factory visit to Mercedes Benz India Limited. In collaboration with **NavGurukul**, the University has opened a center at the Dwarka campus for 100 girls/women/trans-women from Delhi in December 2021. It is a 20-month fully-funded residential training program on Software Programming which ensures a guaranteed job.

Library and Knowledge Centre

Each of the 15 campus libraries are being redesigned to become a transformative venue for a 21st-century learner. The libraries at DSEU provide a rich source of printed and digital resources. We have **15 main libraries and 3 mini ones**. There are **200,000 textbooks, 16,000 reference books** in the libraries. Through the KOHA Library Management System, all libraries are integrated and offer students and faculty a uniform access point.

Scholarship and Fee Waiver Policy

DSEU aims to ensure that all meritorious students having secured admission in the University are not denied a seat due to financial constraints. DSEU hosts a number of institutional as well as external scholarships, which the students can avail based on the eligibility criteria laid down by the university and other funding agency respectively. More information about scholarships and the application process can be found on the official website of DSEU i.e., www.dseu.ac.in.

Check the website www.dseu.ac.in to know more about the eligibility criteria and the application process for the fee waiver policy.

For SC/ST/PWD Students taking admission in Academic Year 2023-24, a 20% rebate is given in Tuition Fee for all the UG Programs.

Outreach and Extension

DSEU has a dedicated **Centre for External Relations and Partnerships (CERP), for** developing and facilitating effective **long term mutually beneficial partnerships** with national/international organisations, academic bodies, experts and communities; providing industry interface activities to students and conducting on-campus internship and placement drives; planning and organizing year-round **pre-placement support** in terms of personality development and grooming through one-on- one counselling, workshops on resume building and mock interviews etc.; providing **internship and apprenticeship** to every student and **connecting alumni and industry professionals** with the university at large.

Placements

DSEU campuses have organised **more than 100 campus placement drives where companies like Oracle, Accenture, Amazon, SAP, Cognizant, Samsung, Infosys, TCS, Capgemini, HCL, Nokia, Airtel, Trident, IBM, Hitachi, Hughes, Yamaha, ISRO, Indiamart, Godrej, HSBC, Wipro, Bluestar, Daikin, NTT Data Services, Knorr**

Bremse, Flipkart, Reliance, NTT Data Services, Maruti, Bajaj Motors, LG, Sony, Deloitte, Drishti and many others have participated and more than 2500 offers were made for placement. DSEU also organized Job Utsav where more than 26 companies, 1600 students participated and 1490 offers were rolled, below mentioned are a few highlights of the placements.

- **2553 offers rolled** through different placement activities
- **1063 students have got placement** through various campus drives
- 1490 offers were rolled out in the 3-day Job Utsav
- Companies like Maruti, New Allenberry and Bajaj has taken more than 200 students from different campuses
- 94% interested students from B. Tech program got campus placements.
- The highest package offered is to the tune of **INR 25 LPA**
- Placement for all the interested student is the ultimate objective of the university.

Innovation and Incubation

DSEU equips students with world-class skill education to enable access to aspirational jobs and inculcate an entrepreneurial mindset. DSEU aims to create a win-win for the youth and the industry by filling the existing gaps in skill training and support the entrepreneurial aspirations of its students and other external budding entrepreneurs. DSEU has set up an incubator, DSEU Innovation and Incubation Centre for Entrepreneurship (DIICE), to provide a platform for encouraging and supporting the entrepreneurial endeavours, DIICE has been set up as a Section 8 Company with its own independent Board of Directors.

The objective of the incubator to be a *catalyst in shaping the entrepreneurial ecosystem* through niche and tailored incubation programs offered not only at the grass root level but also to innovative start-ups across industries. The enterprises nurtured will aim to generate value for their various stakeholders and society by being scalable, sustainable, and socially responsible. The incubator intends to support start-ups set up by any entrepreneur anywhere, including those set up by DSEU students, alumni and faculty. Many DSEU programs (e.g., Interior design, Fashion design, Aesthetics & Beauty) are designed to promote freelancing/creation of traditional businesses, as evidenced by a rich pool of alumni entrepreneurs. In addition, DSEU offers various Diploma and Degree programs across various engineering streams where one would see the emergence of typical product/process innovation startups.

DIICE will be helping start-ups in all phases of growth - **Pre-incubation, Incubation, Acceleration and Post-incubation.** In addition, DIICE will be offering services such as access to technical experts, training, legal guidance, business connects, co-working spaces and investment support. The following programs are offered by DIICE:

- **Business Launchpad Program** - for incubating the ventures set up by the students, alumni, faculty and staff of DSEU.
- **Growth & Innovation Program** – oriented towards supporting the entrepreneurial aspirations of external entrepreneurs with innovative ideas.
- **Business Blasters Program** - for supporting a Delhi govt. program – the 'Business Blasters', whereby top 100-150 teams of grade XI & XII student entrepreneurs will be incubated.
- **Women Entrepreneurship Program** – for fostering & supporting the entrepreneurial aspirations of women through the Anganwadi Hub Centres (AHCs) as part of the Department of Women & Child Development's 'Saheli Samanvay Kendra (SSK)' scheme ('Samriddhi').

Events and Festivals

Annual cultural, sports and technical festivals, national/international days are organized by various clubs & societies of all the campuses. These events not only provide an opportunity to the students in networking with the professional world, but also helps them to hone their creative, people's skills and technical skills.

About B. Tech Programs

B.Tech. Computer Science Engineering (CSE)*, **

B.Tech. in Computer Science & Engineering (CSE) entails the application of science and technology to the design and development of systems and applications. The program stresses on the application of mathematics and computing principles to engineering problems. The curriculum includes subjects like big data analytics, machine learning, artificial intelligence, high performance computing and plethora of Open Elective & Discipline Elective baskets, to provide the students exposure of the recent advancements and prepare them for professional growth. Students have the flexibility to study courses through MOOC platforms. The students can opt for internship during their final semester.

The department at G.B. Pant DSEU Okhla I campus has Advanced Computing Facilities. Students are exposed to a range of themes in computer science, appreciating and exploring the vital overlaps between domains. The labs include: Machine Learning Lab, Computer Networking Lab, Web Engineering Lab, DBMS Lab, Software Engineering Lab, Pycharm, Jupiter Notebook, Google Colab and many more.

Today to name a few, we have a strong alumni network in organisations like Oracle-USA, Accenture, Maruti, Amazon, SAP, Cognizant, Infosys, TCS, Capgemini, HCL, Nokia, Airtel, Trident, IBM, Hitachi, Yamaha, ISRO, Indiamart, HSBC, Wipro, NTT Data Services, Defence Services etc. The highest package offered is to the tune of INR 25 LPA.

B.Tech. Electronics & Communication Engineering (ECE)*

The importance of online communication has expanded in recent years, and as electronics forms the backbone of this domain, the role of an Electronics and Communication Engineer becomes pivotal. Our students are exposed to the fundamentals of electrical and electronic engineering and are trained to apply that knowledge to drive communication innovations.

ECE courses like Signals & Systems, Communications, VLSI, and Embedded Systems are introduced in the early semesters. Electronics Workshops, Discipline Elective baskets, Open Elective baskets are specially created courses that aim to give students practical experience in the design of electronic circuits, and advanced communication systems. Students have the flexibility to study courses through MOOC platforms. The students can opt for internship during their final semester.

The campus has a state-of-the-art Microwave and Antenna Lab involved in the research work in the area of RF systems, Electromagnetic waves and Antenna design. The facilities include

- Anechoic Chamber
- 5 axis automated Antenna positioner
- Spectrum Analyzer (9KHz – 30 GHz)
- VNA (upto 6 GHz)

Most of the research is being done in areas like broadband antennas, microwave integrated circuits, and micro-strip antennas. Today to name a few, we have a strong alumni network in organisations like Oracle-USA, Accenture, Maruti, Infosys, TCS, Samsung, Cognizant, Capgemini, HCL, Nokia, Airtel, Trident, IBM, Godrej, DHL, Wipro, Knorr Bremse, NTT Data Services, Research organizations, Defence services etc. The highest package offered is to the tune of INR 12 LPA.

B.Tech. Mechanical Engineering (ME)*, **

Mechanical engineering is among the earliest known and most diverse engineering disciplines. A mechanical engineer is someone with the ability to bring an idea to life to make our lives easier. The 4 years' program incorporates four diverse professional fields of learning including product design, manufacturing, thermal sciences and industrial management. Focus on real-world examples, activity-based learning, in campus laboratory training, and internships propels the students towards holistic development providing much needed practical exposure that is currently lacking across most institutions. The curriculum offers plethora of Discipline and Open Elective Baskets. Classroom training is interspersed with industry visits, guest lectures and project assignments. Along with the core understanding of various subjects, students are exposed to design equipment on various software and their synthesis through different methods in sync with technological advances and prepare them for lifelong learning. Students have the flexibility to study courses through MOOC platforms. The students can opt for internship during their final semester.

Today to name a few, we have a strong alumni network in organisations like Reliance, DHL, Nike USA, Maruti, Bluestar, Polestar, Loesche India, Adani Gas, Asahi India Glass, Oracle, Infosys, TCS, Godrej, Defence services, Research Organizations etc. The highest package offered is to the tune of INR 12 LPA.

B.Tech. Mechatronics Engineering (MCT)**

Mechatronics is a multidisciplinary field that encompasses Mechanical, Electrical, Electronics, and Computer Science Engineering. The concept for this domain stems from current industrial needs and challenges that necessitate a multifaceted knowledgeable workforce to deal with and work under future requirements. An ideal Mechatronics Graduate will approach the problem from various perspectives and arrive at an innovative solution that incorporates an equitable share of all Engineering domains. Most exciting part of the bachelors in Mechatronics is the hands-on exposure to robotics wherein the students are provided all the tools and skill-set to drive this field forward, research and develop new creative ways to make the use of robots more efficient and human friendly. Apart from the vast research required in the field, they also spend a lot of time in trial and error, designing and building robots. Exposure to diverse designing software's to ease the process, students also learn the same static and dynamic knowledge of machines as a Mechanical Engineer would, with an emphasis to use that knowledge to build robots.

The curriculum offers plethora of Discipline and Open Elective Baskets. Students have the flexibility to study courses through MOOC platforms. The students can opt for internship during their final semester. Despite being a new field, prospects for students are high as the field is extremely important for the world in the coming days and hence, students have plethora of spaces to opt from.

Today to name a few, we have alumni network in organisations like Maruti, Uno Minda, Micromatic Grinding Technologies, ID Cube, ARI Simulation, Mitutoyo South Asia Pvt. Ltd. etc. The highest package offered is to the tune of INR 9.0 LPA.

Okhla Phase III, Okhla Industrial Area, New Delhi, Delhi- 110020
Email ID: director-GBPEC@dseu.ac.in

Right education & academic environment leads students to develop responsible & sustainable solutions to real world problems. G.B. Pant DSEU Okhla 1 Campus (Erstwhile G B Pant Govt. Engineering College) providing such a learning environment was rechristened and found its home under the aegis of Delhi Skill & Entrepreneurship University (DSEU) in the year 2020. It was originally founded in the year 2007 by the Govt. of NCT of Delhi to run B. Tech programs & is proud of its excellent UPSC qualified faculty, distinguished alumni & some of the brightest minds competing year on year through the JAC counselling. The institute was established with the aim of imparting quality technical education for the students of Delhi & nearby areas. Today to name a few, we have our proud alumni in Apple India, Oracle USA, Nike USA, Accenture, TCS, Amazon, SAP, Cognizant, IBM, Hitachi, Daikin, Bluestar, Capgemini, Maruti, Nokia, Airtel, Infosys, Hughes, Yamaha, ISRO, Indian Navy etc. Our students are regularly placed in top organizations like TCS, Infosys, Maruti, Amazon, Byju's, Godrej, Accenture, Ericsson, Hitachi etc. with above industry packages.

Buoyed by the excellent faculty & staff, the campus has started M. Tech & Ph. D at G.B. Pant DSEU Okhla 1 campus from 2022-23 academic session. The institute has the goal to nurture talent & aims to be at par with the best technical colleges on a national level within the next few years. A new campus is going to be carved in the serene surroundings of Okhla wherein the students would get exposure to high-end cutting-edge laboratories, exciting research ecosystem and opportunities to rub shoulders with the technical & thought leaders from the industry & academia.

The campus is well-connected to both the magenta and violet lines of the Delhi Metro, & is strategically placed to ensure that each student seeking world-class higher education and training has a campus of DSEU within a few miles from their residence. Associating DSEU's initiative to equip hundreds of thousands of students with world-class skill education every year, the Okhla 1 campus will play a key role in empowering the country's workforce to bring it at par with the robust industry standards.

DSEU Okhla II Campus (*Erstwhile Delhi Institute of Tool Engineering*, *DITE*) is strategically located in the Okhla Industrial Area, one of the most highlighted industrial areas of Delhi. The Okhla II campus has a world-class infrastructure to assist the shift in the existing paradigm of skilling, acting as a means for DSEU to make skill acquisition aspirational and providing opportunities for all. Being a part of DSEU, the Okhla II campus will ensure compliance to National Education Policy 2020 guidelines, to enhance the experience of students and ensure quality training. Delhi Institute of Tool Engineering (Presently DSEU, Okhla-II campus) was initially established with technical and financial assistance from the Government of Italy with a motto to contribute towards the development of industries in and around Delhi through supply of trained manpower, undertaking job work of machining and manufacturing of sophisticated tools. DSEU Okhla-II Campus conducts the B. Tech Programs in Mechanical Engineering, Mechatronics Engineering and Computer Science Engineering. The DSEU Okhla-II campus is working with the aim of imparting quality technical education for the students residing in Delhi and outside of Delhi. The Campus has well established state of art labs in the area of Electrical, Electronics, Mechanical, Computer Science and

Mechatronics engineering. Okhla-II campus encourages the students to design and fabricate various projects in the field of mechanical and mechatronics streams and in this regard students have been awarded at various levels.

The Okhla-II campus has a well-established Training and Placement Cell headed by a dynamic team of faculty members and officers who have a vast experience in teaching, production and liaison with the industry. More than 23 companies visited the campus over the previous academic years. Some of these include Maruti Suzuki India Limited, Bajaj Auto Limited, Jay Bharat Maruti limited, Uno Minda, Raphe mPhibr, Addverb technologies, Knorr Bremse India, Mitutoyo, and Lynkit among many more. The main aim of the cell is to give the assistance for placements to the students and to improve the overall worth of students as per the demands of the market and the quantity of placements. Pre-placement talks, Interactive sessions with the industry experts are organized by the cell on a regular basis, for the professional development of students.

DSEU Okhla: II campus "**DITE Innovation and Incubation Foundation (DITEIIF)"** helps nurture startups and allows innovation of business models using creative thinking and problem-solving techniques. It provides for facilities such as co-working spaces, mentorships.

DSEU Okhla – II campus has bagged sponsored research projects from Ministry of Science and Technology, Govt of India. These projects are aimed towards developing sustainable solution for the industry and protecting the environment. Consultancy projects are also carried out at DSEU Okhla – II Campus for providing solution to the tooling industry. DSEU Okhla-II is one of the research center of DSEU to carry out the applied research in collaboration with industries and by conducting M. Tech and Ph. D programs of DSEU especially in the field of Tool and Mechanical engineering.

The campus is well-connected to both the magenta and violet lines of the Delhi Metro, & is strategically placed to ensure that each student seeking world-class higher education and training has a campus of DSEU within a few miles from their residence.

Chapter 4 Procedure of Online Registration

4.1 Online Registration and Counselling Fee Payment

All candidates desirous of seeking admission to the engineering programs at DTU, IGDTUW, IIIT-D, NSUT and DSEU, and architecture at NSUT and IGDTUW are required to visit website jacdelhi.admissions.nic.in and fill online registration form, pay a non-refundable registration-cum-counselling fee of Rs.1500/- (plus transactions charges as applicable) and fill the choices.

INSTRUCTIONS FOR ONLINE REGISTRATION
(Online Registration is allowed as per counselling schedule only)

i)   The candidate will initially authenticate himself/herself by entering following details of JEE application:
   - JEE (Main) 2023 application number
   - Name (as per JEE admit card)
   - Date of Birth (as per JEE application)

   If entered details match with JEE 2023 data, candidate will be asked to enter his/her email ID and mobile number. A verification code will be sent to candidate's mobile and email ID for verification. After verification of email ID/mobile, candidate can create his/her password for JAC Delhi portal. JEE (Main)-2023 application number will be the "User ID" for the candidate. Candidate shall choose a suitably strong "Password" for subsequent logins to this counselling website. Also, he/she shall choose a security question which shall be used to retrieve the password in case he/she forgets his/her password. Candidates must ensure that **Mobile Number and Email Address** provided by them must be valid and should belong to the candidate or his/her immediate family members. These will be used by JAC Delhi for all future communications with the candidate.

ii) It is in the interest of candidate to remember his/her Password and keep it highly confidential, to avoid misuse by other candidate, for which JAC shall not be held responsible, in any manner.

iii) After successful authentication and verification of email ID/mobile, candidate needs to complete JAC Delhi application form in steps.

iv) Candidate must ensure that the **BANK ACCOUNT** details filled by him/her at the time of registration must be valid and should **BELONG TO THE CANDIDATE OR HIS/HER IMMEDIATE FAMILY MEMBERS**. **It may be noted that refunds (if any) by JAC Delhi, will be made in this account only irrespective of the account through which the online payment was made by the candidate.**

v)   While filling the online application form, candidate will also enter details about claim of bonus point (for IIITD).

vi) On completion of application form, candidate needs to upload all relevant documents as per his/her category/sub-category. Medical certificate (format in section 7.2) can be submitted at the time of joining the university/institute.

   Candidates will be asked to upload following documents at the time of registration on JAC Delhi portal:
   a. Mark sheet of the qualifying examination, i.e. Class XII or equivalent.
   b. Certificate of High School or equivalent examination (i.e. Class X) as a proof of Date of Birth.
   c. Bonus point document(s), if eligible for IIITD bonus point.

d. Reserved category / sub-category Certificates.

e. For PD sub-category:
   i. A certificate of physical disability issued by the Competent Authority as per the provision of the Persons with Disabilities Act 2016 in the prescribed format as given under the Act.
   ii. The Candidate with benchmark disabilities shall produce the medical certificate issued by the Govt. Hospitals duly notified by the Govt. of NCT of Delhi/Other State government and further duly verified by the Chief Medical Officer of the concerned Government Hospital.
   iii. A certificate, duly recommended by any of the Vocational Rehabilitation Centres for the handicapped, including Vocational Rehabilitation Centre for the handicapped, 9-11 Vikas Marg, Karkarduma, Delhi 110092, established by the Ministry of Labour and Employment.
   iv. Persons with Dyslexic disability can also apply under PD category and they will be required to submit a UDID Card during the verification.

f. For Defence (CW) sub-category, candidate needs to submit all the documents/certificates specified corresponding to the priority applicable to him/her, combined in a single pdf file.

g. Kashmiri Migrant (KM) candidates must upload/submit all the documents/certificates specified corresponding to the priority applicable to him/her, combined in a single pdf file.

h. Cancelled Bank Cheque copy.

vii) Once application form is complete in all respect and all the required documents have been uploaded, candidate needs to confirm his/her registration form. The candidate will not be permitted to edit/change details filled in the registration form once the candidate confirms registration form.

viii) **Once the application form is completed and confirmed by the candidate, he/she will have to pay a non-refundable registration-cum-counselling fee of Rs. 1500/-. In case, the amount is debited from the candidate's bank / card account but it does not reflect in candidate login or transaction is failed, the amount will be refunded to the same bank / card account automatically by the payment system within 7 working days**.

ix) **If payment fails, the fee should be <u>paid again for registration without waiting for the refund</u>. The candidate may inform JAC Delhi by sending an email to payment.jacdelhi2023@nsut.ac.in providing the candidate's details (JEE Main Application Number, Name, Mobile Number, Date, Time of Transaction and Transaction number).**

x) Candidates need to fill the choices for seat allotment, which is discussed in next section.

xi) Candidate has to take the printout of the registration form signed by Guardian / Parents and Self, which has to be submitted at the time of admission/reporting in the institute.

Please Note:

i) After successful registration and fee payment, candidates are required to visit the website jacdelhi.admissions.nic.in again and fill choices for seat allotment.

ii) After completing the application form successfully, if candidate does not pay the registration-cum-counselling fee of Rs. 1500/-, he/she will not be considered for any seat allotment in any round of the counselling.

iii) Registration fee can also be paid in cash by selecting "payment in cash/payment at SBI branch" during payment mode selection on payment page opened while clicking on payment option. After selection this payment option, candidate must fill up the mobile number and email ID and then print a challan generated by payment system. Candidate must deposit the fee in cash using printed challan at any branch of SBI.

iv) No other mode of payment will be accepted for submission of registration-cum-counselling fee.

4.2   Choice Filling, New Registration in Subsequent Rounds and Change of Choices

a)   Online Choice Filling:

i) Having completed the registration process and paid the counselling fee, the candidate shall login to the website http://jacdelhi.admissions.nic.in using JEE main 2023 application number as login ID and a password created during registration process.

ii) Choice filling option will be available in 'candidate login'. As per the eligibility of the candidate, available seat information relating to University/Institute and Programmes will be displayed. Candidate can select choices one by one from list of available choices and can add it to his/her preference of choices. Preference of choices can be rearranged by moving a filled choice up/down in the preference list. Candidate can also remove a filled choice from his/her preference list.

iii) Candidates can fill in as many numbers of choices in the order of preference as they wish to fill, from the list of available choices.

iv) The registered candidates are required to see the fee structures and available branches of each university/ institute before filling the choices.

v) **It is in the interest of the candidate to fill maximum number of available choices so as to benefit from upgradation of seats, during any rounds of counselling. Only admitted candidates will benefit from seat upgradation prior to the spot round.**

vi) Editing of choices are permitted during registration window. All the registered candidates including admitted candidates who have not frozen their seats can edit their filled choices when new registrations are permitted in the third round.

vii) **Preference of choices will be locked automatically once registration period is over.**

viii) Candidate has to take the printout of the filled choices once registration is closed.

b)   Login to the Candidate's Account on JAC website

After successful login, candidate's homepage is opened and following options are displayed:

i.   **Registration Details:** Registration Detail is important for seat allotment and should be filled very carefully.

ii.   **Edit Registration:** Any mistake can be corrected in the above through "Edit Registration" option only if the candidate has not confirmed his/her registration.

iii. **Bonus Points (for IIITD):** Candidates eligible for IIITD bonus points should fill these details carefully and upload the documents claiming the bonus points for online verification. [Refer 5.1(b)]

iv. **Fill Choices:** As per the eligibility of the candidate, available seat information relating to University/Institute and Programmes will be displayed. Candidate can select choices one by one from list of available choices and can add it to his/her preference of choices. Preference of choices can be rearranged by moving a filled choice up/down in the preference list. Candidate can also remove a choice from his/her preference list.

v. **Display Filled Choices:** Choices entered by the candidate will be displayed so that he/she can check the already entered information. Candidates are advised to fill maximum number of choices to increase their probability of early seat allotment. Once admitted, the seat may get upgraded during subsequent round of counselling depending upon the availability of vacant seats and the submitted choices.

vi. **Provisional Seat Allotment Letter:** A provisional seat allotment letter can be downloaded after declaration of seat allotment result of a round. This letter clearly indicates institute and category/subcategory of allotted seat.

vii. **Admission Confirmation Status:** If seat is allotted to the candidate, and Seat Acceptance Fee is paid by the candidate, admission committee of the respective University/Institute will verify the documents physically and confirm the admission. Status of confirmation of admission will be made available in 'candidate login' of the candidate.

viii. **Links to Pay Various Fee:** Links for all fee payments, including the Registration Fee, Seat Acceptance Fee, etc. are made available to the candidates as per counselling schedule.

ix. **Provisional Admission Letter:** Once admission committee confirms the admission of the candidate, candidate can download his/her provisional admission letter.

c) **Choice Locking & Printing of Locked Choices**

i. Choices filled by candidates will be locked automatically for that particular round after the registration period of that round is over. However, a candidate can change his/her choices during specified window after second round as specified in the counselling schedule.

ii. Candidates have to take the print out of the filled choices only after closing of choice filling.

d) **New Registration:** New registrations will be allowed after completion of 2nd round as specified in the counselling schedule. A candidate, who wants to register afresh for JAC Delhi 2023, must follow the instruction mentioned in Section 4.1 & 4.2 (mentioned above).
A candidate registering in later round will not hold any right to claim the seats allotted to any other candidates, who had participated in earlier rounds. The allotment of a seat, to the newly registered candidate, will be done purely upon the Common Rank List (CRL) Rank/Unique Rank and IIITD rank (in case of IIIT-D) and the availability of seats in subsequent rounds.

e) **Change of Preferences of Choices:** The choices initially filled by the candidate during the registration will remain valid throughout the counselling process unless altered/changed by the candidate during the third round as specified in the counselling schedule.

Note: JAC Delhi 2023 will not be held responsible for a candidate's lack of awareness of the

schedule for change of preference of choices.

4.3 Allotment of Seat and Result Declaration

a) **Allotment of seat (B. Tech.) and Dual Degree (B.Tech. + MBA):** After completion of choice filling period, the filled choices of all registered candidates will be processed for allotment of seats as per Common Rank List (CRL) Rank in Paper-I of JEE (Main) – 2023 for NSUT, DTU, IGDTUW, DSEU and as per IIITD Rank for IIIT-D [merit criteria to arrive at IIITD rank is explained in Section [5.1(b)]**.**

b) **Allotment of seat (B. Arch.):** After completion of choice filling period, the filled choices of all registered candidates will be processed for allotment of seats as per Common Rank List (CRL) Rank in Paper-II of JEE (Main) – 2023 for NSUT and IGDTUW.

Note: Those candidates who are eligible for both B.Tech. and B.Arch., their allotment of seat to B.Tech. or B. Arch. Will be purely based on the order of choices filled by candidates. So, all eligible candidates should prioritize between B.Tech and B.Arch carefully, during choice filling.

c) **Result Declaration:** Result of seat allotment in various rounds will be declared as per the Counselling Schedule. The selected candidate can view/print the provisional seat allotment letter after logging into his/her account on the website jacdelhi.admissions.nic.in.

4.4 Physical Reporting

a) **Seat Acceptance Fee Payment**: A candidate, who is allotted a seat in a particular round, in any of the participating Universities / Institutes, is required to pay the seat acceptance fee of Rs.95,000/- (Rupees Ninety-Five Thousand only) as per the specified schedule through **ONLINE FEE PAYMENT GATEWAY of JAC Delhi 2023**.
If the candidate is allotted a seat in a particular round and he/she does not pay/ fails to pay the required seat acceptance fee as per counselling schedule, his/her allotted seat shall be cancelled and he/she will not be considered for any seat allotment in subsequent rounds upto Round 5. A candidate can initiate the seat acceptance fee payment process after logging into his/her account on JAC website jacdelhi.admissions.nic.in. Fee payment link will be made available in 'candidate login' immediately after declaration of seat allotment results of a round.

NOTE:

Candidates should note that seat acceptance fee will not be accepted in the form of Demand Draft / Cheques/ Cash under any circumstances. Candidates are required to pay the Seat Acceptance Fee strictly as per the counselling schedule and keep one copy of fee receipt printout for their record.

b) **Physical Reporting:** A candidate who is allotted a seat in a particular round in any of the participating University/Institute is required to report physically at the respective University/Institute for document verification. Admission committee will verify all documents physically and status of fee payments for all candidates who are allotted a seat in a particular round. **If (i) all documents are found to be in order and (ii) fee payment is successful, the admission will be confirmed by the admission committee.** Such candidates can view the status of document verification in their login and take a print of the provisional admission letter. Once provisional admission letter is available in 'candidate login', admission process is complete for such candidates.

c) In case, any deficiency/deficiencies is found in the documents, or the academic fee has not been

paid, the admission of candidate will be cancelled after the completion of that round. Information about the deficiencies will be made available to the candidate on or before the specified date and time during each round of admission. If the deficiencies are cleared by the candidate before the end of that round, his/her admission will be confirmed. To clear the deficiency, candidate can produce new documents/additional documents/pay the academic fee as asked by admission committee of the respective University/Institute where seat is allotted before end of that round.

d) In any case, if admission is not confirmed by admission committee due to some deficiencies in documents, candidate can be considered for seat allotment in subsequent round with changed credentials for available seats in subsequent round(s). (e.g. if candidate belongs to OBC category, and his/her certificate is not valid as per JAC Delhi requirements, he/she can be made eligible for next round of counselling as GENERAL category candidate.). In case the candidate is not allotted any seat prior to the spot round (as specified in the counselling schedule), the Seat Acceptance Fee paid by such candidates shall be refunded.

e) Candidates must bring the ORIGINAL and SELF-ATTESTED copies of the following documents at the time of reporting at the respective University/Institute for document verification as per the counseling schedule.

    i)   Receipt of the Seat Acceptance Fee Payment.

    ii)   Online created Registration Form duly signed by guardian/parent and candidate.

    iii)   Printout of filled choices (printed after closing of registration)

    iv)   Three passport size photograph.

    v)   Printout of the Admit Card & Score Card of JEE (Main)-2023.

    vi)   Marks sheet of the qualifying examination i.e. Class XII or equivalent.

    vii)   Printout out of Seat Allotment Letter downloaded from jacdelhi.admissions.nic.in

    viii)   Date of Birth Certificate as indicated in High School or equivalent examination i.e. Class X.

    ix)   Bonus Point documents, if eligible for IIIT-D bonus point.

    x)   Reserved category / sub-category Certificate.

    xi)   Medical fitness certificate original in case of General / SC / ST / CW / OBC / EWS/ SG / TP / CW / KM (Format available at 7.4 in this brochure).

    xii)   PD sub-category:

        a. A certificate of physical disability issued by the Competent Authority as per the provision of the Persons with Disabilities Act 2016 in the prescribed format as given under the Act.

        b. The Candidate with benchmark disabilities shall produce the medical certificate issued by the Govt. Hospitals duly notified by the Govt. of NCT of Delhi/Other State government and further duly verified by the Chief Medical Officer of the concerned Government Hospital.

        c. A certificate, duly recommended by any of the Vocational Rehabilitation Centres for the handicapped, including Vocational Rehabilitation Centre for the handicapped, 9-11 Vikas Marg, Karkarduma, Delhi 110092, established by the Ministry of Labour and Employment.

xiii) For Defence (CW) sub-category, candidate needs to submit all the documents/certificates specified corresponding to the priority applicable to him/her.

f) A candidate, who has already been admitted and gets upgraded in next round of counselling, is not required to report at the upgraded University/Institute.

g) A candidate not admitted in any round due to non-availability of documents in the earlier rounds but is allotted a fresh seat in any of the subsequent rounds (after producing relevant documents), needs to mandatorily report physically for admission at the allotted University/Institute as per counselling schedule, failing which his/her seat will be automatically cancelled.

4.5 Freezing of Branch and Institute/Branch Upgradation

Freezing: In case, a candidate desires to continue in the branch allotted to him/her at the time of admission or during subsequent upgradation (i.e. **does not want himself/herself to be considered for upgradation** to his/her higher preference branches in subsequent rounds of counselling), then **he/she may submit online freezing request** through JAC Delhi portal using their login. A branch will be 'freezed' only as per the schedule specified in the counselling schedule.

BRANCH ONCE FREEZED CANNOT BE REVERTED AND WILL BE TREATED AS FINAL. ONLY THOSE ADMITTED CANDIDATES WHO HAVE NOT FREEZED THEIR ALLOTTED SEATS (KEPT THEIR SEATS ON 'FLOAT' OPTION) WILL BE CONSIDERED FOR UPGARDATION DURING SUBSEQUENT ROUNDS OF COUNSELLING.

Branch Upgradation: If the currently allotted seat is not the first choice of a candidate, such candidates may be allotted a seat from the more preferred choices of the candidate during allotment process of subsequent rounds.

a) A candidate, who has been admitted in a branch/institute other than his/her first choice, will automatically be upgraded (depending upon the availability of vacant seats), as per his/her merit in JEE (Main)-2023 or IIITD merit (in case of admission in IIIT-D), to a branch/institute of his/her higher preference during seat allotment of subsequent rounds.

b) A candidate, who has already been admitted and gets upgraded in next round of counselling, should take printout of new provisional seat allotment letter for his/her record.

c) A candidate, who has already been admitted and gets upgraded in next round of counselling, is not required to report at the upgraded University/Institute.

4.6 General Instructions

a) The detailed instructions about the online counselling shall be available on the website jacdelhi.admissions.nic.in. Candidates are advised to go through the details thoroughly at this site before registration.

b) Intimation to Candidates: A candidate will be intimated via SMS/Email on their registered mobile number and email address in the following cases:

  i. When a candidate's registration is confirmed
  ii. When a seat is allotted to a candidate
  iii. When a candidate deposits Seat Acceptance Fee
  iv. When admission is confirmed by the admission committee
  v. When a candidate's seat is upgraded/retained during subsequent rounds

vi.   When a candidate freezes a seat.

vii.   When a candidate withdraws a seat.

Disclaimer: JAC Delhi 2023 will not be responsible for any sort of delay/failure of receiving of SMS or email due to any issues. So, it is in the interest of the candidates to follow the counselling schedule and check their status by login into their accounts regularly.

NOTE: Candidates are advised to visit JAC DELHI website (jacdelhi.admissions.nic.in) regularly for details.

❖ A candidate who is offered a seat under reserved category / sub-category in any round of seat allotment and fails to produce appropriate document in support, his/her allotted seat will be cancelled and he / she shall be considered for allotment in GENERAL category in subsequent rounds, subject to eligibility and availability of vacant seats.

❖ It is the sole responsibility of the candidate to prove his / her eligibility for claiming reservation under any of the reserved categories. The candidates under SC/ST/OBC/EWS categories and CW/PD/SG/KM subcategories will be required to upload the certificate(s) of the respective reserved category/subcategory issued by the competent authority (as listed in Section 3.3) at the time of registration.

❖ If the certificate for reserved category candidate is not found to be in order, no benefit of the reservation will be given and the candidate shall be considered for allotment in GENERAL category in subsequent rounds, as per the eligibility of the candidate and availability of seats.

Chapter 5 Online Counselling Procedure

5.1 Seat Allotment – General Rules

During this step, the choices submitted by the candidates will be processed centrally and seats will be allotted in the order of merit as explained below on the basis of the locked choices. The allotment result will be made available on the website jacdelhi.admissions.nic.in.

a) DTU, IGDTUW, NSUT and DSEU

i. The provisional seat allotment will be based solely on the All India Rank Common Rank List (CRL)* Rank of the candidate in the JEE (Main) 2023 examination as given by NTA.

ii. **For B. Tech. Programmes and Dual Degree Programmes, All India** Common Rank List (CRL)* Rank **in Paper-I** of JEE (Main) 2023 will be considered.

iii. Other than the above-mentioned merit rank, seat allotment will be done by considering all the details provided by the candidate in his/her ONLINE application like category, region, minimum qualification eligibility criterion, choices filled etc.

b) IIIT Delhi

A separate merit list as described below, will be used for seat allotment in IIITD.

i. Final percentile score obtained in paper-1 of JEE Mains 2023.
ii. Bonus points, if any, as defined in Annexure A (Maximum upto 2 points)
iii. IIITD merit list will be based on the total of the above two.
iv. In case of a tie, candidate with a higher rank in JEE 2023 shall rank higher.

* In case CRL is not unique, a unique rank will be generated for each candidate for allotment of seats using the following parameters in the order mentioned below applicable for all the participating Universities/Institutes:

a) JEE Main Rank

b) 12th PCM Marks (descending)

c) 12th Marks in Maths (descending)

d) 12th Marks in Physics (descending)

e) 12th Marks in Chemistry (descending)

f) Date of Birth (person with age greater to be given preference)

> **Note:** All participants of JAC Delhi 2023 counselling are intimated that admissions to various B. Tech. Programmes at IIIT Delhi will be made as per IIIT Delhi ranking. The mechanism of arriving at IIITD ranking is defined above in conjunction with Chapter 8 about eligibility for Bonus Points. *All interested candidates are hereby advised to read it carefully and avail the benefits of Bonus Points as applicable individually.*

5.2 Online Counselling

Online counselling will be done in 5 rounds. Fresh Registration and Choice Editing/Filling will be available only in Round 3.

5.2.1 First Round of Counselling

a) The choices filled by the candidates during ONLINE registration will be processed centrally and the institute-wise cutoffs will be made available on the JAC Delhi website and the seat allotment result will be made available on the Candidate's login.

b) All candidates who are provisionally allotted a seat in any round of counselling are required to pay the Seat Acceptance Fee of Rs. 95,000/- using a fee payment link available in their login.

c) Admission committee will verify the documents physically and check status of Seat Acceptance Fee payment as per schedule mentioned for each round. If all the documents are as per requirement and the Seat Acceptance Fee has been paid by the candidate, his/her admission will be confirmed by admission committee and status will be made available to the candidate. Such candidates can download the provisional admission letter from JAC Delhi website.

d) **Freezing:** In case, a candidate whose admission is confirmed and who has downloaded the provisional admission letter, desires to continue in the branch and institute allotted to him/her at the time of admission or during subsequent upgradation (**i.e. does not want himself/herself to be considered for upgradation to his/her higher preference branches in subsequent rounds of counselling**), then **he/she must submit online freezing request** through JAC Delhi portal using their login. Branch freezing requests can be submitted only after the admission is confirmed by the admission committee till last date mentioned in counselling schedule of each round.

BRANCH ONCE FREEZED CANNOT BE REVERTED AND WILL BE TREATED AS FINAL. ONLY THOSE ADMITTED CANDIDATES WHO HAVE NOT FREEZED THEIR ALLOTTED SEATS (KEPT THEIR SEATS ON 'FLOAT' OPTION) WILL BE CONSIDERED FOR UPGARDATION DURING SUBSEQUENT ROUNDS OF COUNSELLING

It must be noted that once a branch is freezed by the candidate using the "Branch Freezing Option", the candidate will not be allowed to change his/her filled choices in any of the subsequent round(s) of counselling and will not be considered for branch/institute upgradation

e) In case, any deficiency/deficiencies is found in the documents, or the academic fee has not been paid, the admission of candidate will be cancelled after the completion of that round. Information about the deficiencies will be made available to the candidate on or before the specified date and time during each round of admission. If candidate can clear the deficiencies before the end of that round, his/her admission will be confirmed. To clear the deficiency, candidate can produce new documents/additional documents/pay the academic fee as asked by admission committee of the respective University/Institute where seat is allotted before end of a round.

f) For candidates, whose admissions are not confirmed due to some deficiencies, seat allotted to the candidate will be cancelled. Such candidates may be considered in next round of counselling with changed credentials (e.g. if OBC certificate is not valid, category may be changed from OBC to GENERAL).

g) In case, the admission of a candidate who has paid the academic fee of Rs. 95,000/- is not confirmed because of some deficiencies/inconsistencies in his/her documents, the academic fee paid by him/her will be refunded within 20 days after last date of withdrawal (refer counselling schedule).

h) **Failing to pay the Seat Acceptance Fee against allotted seat, his/her allotted seat will stand automatically cancelled and the candidate will not be considered for subsequent online rounds.**

i) Based on the number of candidates completing the document verification and number of withdrawals made by admitted candidates, the vacant seats available thereafter will be used for seat allotment in second round of counselling.

5.2.2 Second Round of Counselling

6.1 Procedure to Pay Seat Acceptance Fee at the Time of Online Counselling

All candidates, who are provisionally allotted a seat first time in any of Round 1 to Round 5 of counselling are required to pay the Seat Acceptance Fee of Rs. 95,000/- using a fee payment link available in their login.

Following payment modes are available:

(i) By Credit Card / Internet Banking through Payment Gateway

Candidates can pay their Seat Acceptance Fee of Rs.95,000/- as per their seat allotment round using Payment Gateway facility accessible on the JAC website in the candidate's login account.   Candidates may kindly note that while making the payment, in case the transaction fails or takes time to reflect, then they can write to the JAC payments helpdesk email **payment.jacdelhi2023@nsut.ac.in**

(ii) By Cash at any branch of SBI using SBI Collect e-Challan

Alternatively, candidates may pay their Seat Acceptance Fee of Rs.95,000/- as per their seat allotment round (plus additional bank charges) through cash payment at any branch of State Bank of India using the SBI e-Challan.

➢ **Only those** Candidates, who pay their initial Seat Acceptance Fee and complete the document verification process successfully, will be considered as SUCCESSFULLY ADMITTED CANDIDATES.

➢ **Important Note:** Candidates, when they get seat allotment for the first time (in any round) and do not pay their Seat Acceptance Fee, will forfeit their seat allotment automatically and will not be considered for subsequent rounds of Online Counselling. IT IS THUS MANDATORY FOR THE CANDIDATES TO PAY THE SEAT ACCEPTANCE FEE TO BE CONSIDERED FOR THE SUBSEQUENT ROUNDS OF ONLINE COUNSELLING.

6.2 Procedure to Pay Balance Fee

Every participating institute will notify separate schedule for payment of balance fee at their respective website. The admitted candidates are thus advised to visit website of allotted institute/university for details of balance fee payment.

6.3 Withdrawal of Allotted Seat and Refund of Fees

An admitted candidate can withdraw his/her admission during the counselling period (as specified in the counselling schedule) by submitting online request through JAC Delhi portal on or before last date of withdrawal mentioned in counselling schedule.

a) If the candidate withdraws his/her admission on or before the last date of withdrawal as mentioned in the counselling schedule, his Seat Acceptance Fee (Rs. 95,000/-) will be refunded without interest after deducting Rs.1000/- (Rupees One thousand only) as processing charge.

b) Fee refunds for all withdrawals will be processed within 20 days after last date of withdrawal.

c) The academic fee deposited by the admitted candidates will be forfeited, if he/she withdraws after the last date of withdrawal as mentioned in the Counselling Schedule. **No amount shall be refunded if the admitted candidate withdraws after the last date and time of withdrawal as mentioned in the counseling schedule.**

d) Withdrawal request through application and/or E-mail will not be considered. Candidate can withdraw his/her admission through candidate's JAC login only.
