1 INTRODUCTION

The Delhi Skill and Entrepreneurship University (DSEU), Government of National Capital Territory of Delhi, in its endeavor to provide skilled technical manpower suited to various needs of industry, imparts technical education and technological skill through various courses at different levels. Full-time degree/ diploma courses in Engineering /Technology / Pharmacy, Occupational and Secretarial / Management based disciplines are offered at different Government Campuses.

G. B. Pant DSEU Okhla-III Campus, under the aegis of Delhi Skill and Entrepreneurship University, is offering admission for Advanced Diploma in Automotive Mechatronics (ADAM).

It is realized that, with the growing automobile market and technical complexities in automobile technology as against the present level of education, it is imperative to provide an adequate number of qualified automotive engineers to support growing needs and fast changing technological advancements in automobile industry.

2 INTRODUCTION TO ADAM COURSE

Automotive Mechatronics Research Centre (AMRC), is a world class infrastructure, guided by Mercedes Benz India Limited (MBIL), Pune and has been developed at G. B. Pant DSEU Okhla-III Campus, Delhi. Fully air- conditioned Classrooms, Car bay, Engine W/S, Transmission W/S, E- W/S and Telemetric & Microcontroller W/S are equipped with sophisticated digital instruments, IT/Computers diagnostic packages, EV kits etc. The facility provides a comparable ambience to that of MBIL in- house facility. The entire facility is air-conditioned for smooth functionality of IT/Computers & Electronic gadgets in a dust-free temperature controlled environment and to achieve laboratory test results in European standards.

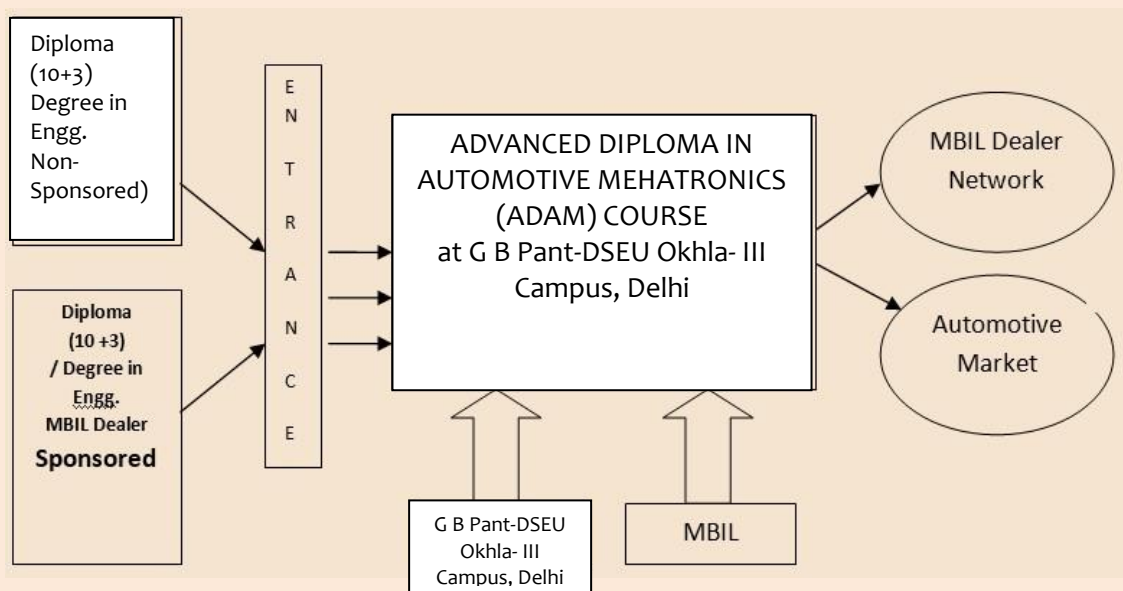

The highly specialized ADAM course will contain Electrical, Mechanical, Electronics/ Embedded system, Vehicle Systems and Soft Skills modules. The training will be imparted in the areas of Electrical & Electronics Technology, Advanced Automobile Systems/Engineering and its diagnosis, practical hands on experience on MB Car, MBIL Factory visit (optional) etc. Students will undergo on job training (OJT) after each module etc.

The methodology will be self-reliant learning and team concept as being practiced successfully in MBIL. Trainer is facilitating the learning of the participant. Unlike the traditional classroom, learner is guided to solution and no readymade answers.

The intention of this collaborative course is to produce skilled automotive professionals conversant with latest automotive technology. ADAM is practical oriented course where learner is expected to have hands-on learning on the car, engines, transmission/gear box and other automotive components. Electrical vehicle module is also included as per recent MBIL Global Curriculum.

The ADAM Course shall be conducted in English language.

Programme in Principle

3 INTAKE CAPACITY AND ELIGIBILITY

The annual batch size/intake capacity is 20 students including five seats reserved for MBIL dealer nominees, sponsored and approved by MBIL.

The minimum eligibility of the candidates for seeking admission in ADAM is :

- (i) a pass in 3 years diploma (2 years for lateral entry/direct second year)/B.Voc. in Electrical/Mechanical/ Electronics/Automobile Engineering, Mechatronics, Applied Electronics or equivalent.
- (ii) a pass in Engineering Degree (B. Tech/BE) in Electrical/Mechanical/Electronics/ Automobile Engineering, Mechatronics, Applied Electronics or equivalent.
- (iii) those appeared for qualifying examination (B. Tech/BE/ Diploma) in 2023, without live back papers, are also eligible to apply. However, their admission will be subjected to submission of proof of having acquired minimum qualification at the time of counseling.

4 INDUSTRIAL TRAINING

Provision of 4 to 12 weeks of industrial training/dealer in-house training has been kept as an integral part of the curriculum. The students shall be trained at dealership network in Delhi / NCR or anywhere in India, with the approval from MBIL/respective dealer.

5 PLACEMENT

G. B. Pant DSEU Okhla-III Campus has a well established Training and Placement Cell, which is headed by Training and Placement Officer. The Training and Placement Officer co-ordinates with the various Industries and arrange for campus interviews for all the branches. Delhi Skill and Entrepreneurship University also conducts Job Fairs every year. Previous batches of ADAM students were facilitated for placement in various establishments.

6 ADAM ADMISSION ENTRANCE EXAMINATION (AAEE)

Admission to ADAM course will be through All India ADAM Admission Entrance Examination (AAEE). G. B. Pant DSEU Okhla-III Campus shall be functioning as nodal agency as well as the main examination centre for conducting All India ADAM Admission Entrance Examination (AAEE). The AAEE Examination is to be **held in Delhi**. However, examination centres other than Delhi may be considered, if required. The same will be made available on <http://www.gbpit.ac.in> web portal.

Final allotment of examination centre to a candidate will be decided by G. B. Pant DSEU Okhla-III Campus/AMRC. Request for change of examination centre will not be entertained on any account.
